

# POLITICAL SYSTEM

A **political system** is a way of organizing and governing a society. A **political system** sets up the framework for how people interact and make choices that affect everyone.

The goal of a **political system** is to create order, protect rights, and ensure that everyone has a say in shaping the society they live in.

Different **political systems** have different ways of doing this, like *democracies where people vote for their leaders* or *dictatorships where one person has all the power*.
