Divided We Fall:

Divided We Fall Trent Reedy,2014 Fulfilling a lifelong dream of serving his country by enrolling in the National Guard Danny Wright misfires during a routine crowd control mission in Boise triggering a public and political maelstrom that slowly escalates toward a second American civil war By the author of *Words in the Dust* *Divided We Fall* Haynes Johnson,1995 Nationwide Americans faced the legacy of the Reagan 80s with a skepticism that colored their attitudes about politicians and the political system itself Yet people were eager to take on the challenge of the 90s Johnson urges us to join together face the challenge of change and take the brave gamble to reclaim the American Dream **Divided We Fall** Bryce J. Christensen,2017-09-20 In the weeks that followed the horror of September 11 politicians of both major parties resolutely asserted America's national unity Barely four years later the illusions of the rhetoric of unity have given way to the divisive oversimplifications of Red vs Blue electoral cartography *Divided We Fall* Family Discord and the Fracturing of America offers a more nuanced yet more disturbing picture of American disunity a disunity both social and political both public and personal Deeper than the disagreements that separate voter from voter this disunity increasingly separates man from woman husband from wife parent from child grandparent from grandchild and sibling from sibling Though the national turmoil in family life has unquestionably opened new divides in political life on the questions of abortion and gay marriage for instance this analysis explores the bewildering cross cutting tensions surrounding these fissures The search for ways to bridge such fissures takes on particular urgency because of the mounting costs of family disintegration social and legal cultural and psychological Because they recognize the often desperate plight of single mothers and their children policymakers have often worked together in bipartisan fashion to intensify government efforts to collect child support from non custodial fathers to place abused children in foster care and to provide shelter for the family fragments on the street But these pragmatic government responses to pressing social needs are no substitute for deeper probing into the cultural causes of these needs Indeed as the author probes those causes including the erosion of the home economy of restraints on sexual conduct and of the traditional family wage he warns that continued reliance on government to compensate for family failure will make matters worse in the long run While family failure puts ever more burdens on government this investigation shows how such failure withers the selfless civic impulses that sustain any healthy government *Divided We Fall* James Rothrock,2006 Soon after Joshua DeKirt discovers time travel he is approached by a reclusive billionaire with a very strange request Anaxander Lashe wants Joshua to kill him but only at a precise moment in time And so begins a great adventure one most men would give anything to experience But unbeknownst to Joshua his agreement with Lashe has delivered him into a situation in which his very soul may be at stake for he has unwittingly made a deal with the entity who has been foreordained to destroy the world **Divided We Fall** David French,2020-09-22 David French warns of the potential dangers to the country and the world if we don't summon the courage to reconcile our political differences Two decades into the 21st

Century the U S is less united than at any time in our history since the Civil War We are more diverse in our beliefs and culture than ever before But red and blue states secular and religious groups liberal and conservative idealists and Republican and Democratic representatives all have one thing in common each believes their distinct cultures and liberties are being threatened by an escalating violent opposition This polarized tribalism espoused by the loudest angriest fringe extremists on both the left and the right dismisses dialogue as appeasement if left unchecked it could very well lead to secession An engaging mix of cutting edge research and fair minded analysis *Divided We Fall* is an unblinking look at the true dimensions and dangers of this widening ideological gap and what could happen if we don t take steps toward bridging it French reveals chilling plausible scenarios of how the United States could fracture into regions that will not only weaken the country but destabilize the world But our future is not written in stone By implementing James Madison s vision of pluralism that all people have the right to form communities representing their personal values we can prevent oppressive factions from seizing absolute power and instead maintain everyone s beliefs and identities across all fifty states Reestablishing national unity will require the bravery to commit ourselves to embracing qualities of kindness decency and grace towards those we disagree with ideologically French calls on all of us to demonstrate true tolerance so we can heal the American divide If we want to remain united we must learn to stand together again
