Drop Out:

Dropping Out Russell W. Rumberger, 2011-10-15 Most kids in the developed world finish high school but not in the United States More than a million drop out every year and the numbers are rising Dropping Out provides answers to fundamental questions Who drops out and why What happens to them when they do How can we prevent at risk kids from short circuiting their futures *Strategies to Help Solve Our School Dropout Problem* Franklin P. Schargel, Jay Smink, 2001 Analyzes the school dropout situation in America and examines the demographic and social influences that contribute to the problem including immigration poverty teenage pregnancy and drug use and provides strategies for prevention and accountability alternative schooling and community and family involvement "Why We Drop Out" Deborah L. Feldman, Antony T. Smith, Barbara L. Waxman, 2017 Through engaging stories and the use of students voices this book corrects persistent misconceptions about youth who drop out of high school Based on research conducted with high school dropouts in both urban and rural communities the authors argue that contrary to popular belief most dropouts are not disengaged from school at an early age Many have positive memories of their education both social and academic that educators and policymakers can draw on to create successful prevention and intervention practices The narratives and insights presented here will help readers to better understand the interplay of school related and personal factors that lead students to drop out of school Why We Drop Out is essential reading for K 12 educators school principals counselors psychologists and everyone concerned with our nation s dropout crisis Every educator will recognize in these stories the daily opportunities that adults have to reach out and grab onto kids who are desperate for a hand and just need someone to pull them over that line From the Foreword by Camille A Farrington PhD author of Failing at School Lessons for Redesigning Urban High Schools This book greatly improves our understanding of the complex and long term process of dropping out of high school Russell W Rumberger UC Santa Barbara director California Dropout Research Project A must read for any teacher principal or superintendent interested in changing the lives of our students most at risk Greg Baker superintendent Bellingham Public Schools This is a book that everyone with a stake in education must read Dr Shivohn Garcia SUNY Empire State College *Higher Education Dropout After COVID-19: New Strategies to Optimize Success* Ana B.
