Relationships between people are frequently compromised as a result of religious viewpoints but appropriate spiritual care requires bridges to understanding that will allow for trust and justice to become visible The pattern for this book is shaped on the recognition that while religious expressions differ markedly in their presentation we can discern at the core of all religious expressions a supposition of sacred presence It is therefore helpful for us all in the daily events of our lives that we approach people of other faiths with a degree of humility recognizing that neither we nor they have a final answer to the question of faith The book is divided into four parts each part containing some chapters in which elements of interfaith care are considered Part one explores the complexities of interfaith engagement Part two discusses ways for caring for each other in the search for meaning Part three claims that spirituality is most difficult if not impossible to define but can be visible in a variety of experiences The fourth part explores ways in which all that has gone before may be put into practice as spiritual care *Selected works of Victor Hugo* Victor Hugo,2021-02-01 Selected works of Victor Hugo from the series Best of the Best is the book that everyone should read to understand themselves and each other The authors and works for this book series were selected as a result of numerous studies analysis of the texts over the past 100 years and the demand for readers It must be read in order to understand the world around us its history to recognize the heroes to understand the winged expressions and jokes that come from these literary works Reading these books will mean the discovery of a world of self development and self expression for each person These books have been around for decades and sometimes centuries for the time they recreate the values they teach the point of view or simply the beauty of words This volume of the Best of the Best series includes famous works Les Miserables Notre Dame de Paris Toilers of the Sea Ninety Three The Man Who Laughs Under Sentence of Death Or a Criminal s Last Hours *The Complete Works of Walter Savage Landor: Pericles and Aspasia.
