**Around Lima** Michael Leavy,2002-02 Some twenty miles south of Rochester lies what was historically the crossroads of western New York Lima and its neighbors in the Genesee Valley are unique in many ways An excellent network of trails had been developed by the Iroquois long before the area attracted its first permanent settler in 1788 As immigrants streamed westward inns opened at this crossroads to serve them and some of the travelers stayed to become farmers tradesmen and merchants In the mid 1800s Lima had several photography studios and a wealth of architectural gems many of which still remain Today Lima has more than fifty structures listed on the National Register of Historic Places **Around Lima** explores the fascinating evolution of Lima and the diverse adjoining towns that were inexorably connected It illuminates the elegant streets of Lima the rich heritage of nearby Bloomfield the covered bridge and stone mills of Honeoye Falls and the grandeur of the resort days of Avon Springs which rivaled Saratoga Springs Appearing within these pages are glimpses of Susan B Anthony and Franklin Delano Roosevelt as well as accounts of the Underground Railroad and a winter morning s journey to see Abraham Lincoln
