beautiful climate *My Aromatic Kitchen* Kille Enna,2017 In this ingenious and delectable cookbook accomplished and innovative chef Kille Enna shows readers how to use simple aromatic blends of herbs spices fruits and vegetables to create unforgettable meals With nine cook and lifestyle books to her name Kille Enna has become an icon of simple organic elegance In this cookbook she distills the lessons she s learned from a life devoted to spices and herbs into timeless recipes that anyone can make Enna s message is straightforward the tastiest most flavor packed meals include fresh high quality ingredients prepared simply by adding aromatic blends Here she offers fifty recipes each featuring a key ingredient combined with an aromatic blend of spices herbs fruits and vegetables Inspired by the harvest from her own organic garden in southern Sweden this book s recipes range from the crisp cool offerings of winter to the sultry sensuous heat of summer Using ingredients that are in season and widely available Enna shows how combinations of spices and herbs can transform everyday foods into refined meals In between recipes Enna offers in depth tips on everything from cast iron skillets to edible flowers Bathed in the colorful radiance of Enna s own photography and infused with her lifelong passion for nature and simple living this is a cookbook that will appeal to the senses and that will remain an essential reference in kitchens everywhere *Lee Miller's Surrealist Eye* Lynn Hilditch,2022-11-14 American born artist Lee Miller 1907 1977 has been increasingly championed by scholars and curators for her Surrealism inspired photographs Her captivating images of Paris in the late 1920s and early 1930s her dreamlike portraits of desert landscapes and sexually suggestive architecture taken in Egypt in the mid 1930s and her witty yet often disturbing photographs of the Second World War and its aftermath have been widely discussed However while popular interest in Miller s colourful life and photographic work has been rapidly growing during the past forty years her true worth as a prominent Surrealist artist has been somewhat overlooked This new collection of essays addresses this issue revalidating Lee Miller s Surrealist position not simply as a muse friend and collaborator with the Surrealists but as one of the twentieth century s most important and influential female Surrealist artists **Killing Your**

Own Snakes Robert T. Sorrells,2013-07-25 This is not a biography of John Harvey Sorrells I expect there ll never be one of those and that s probably just as well Sometimes I think a writer s work is his own best autobiography certainly and as much biography as he needs But I m doing this because of two things one simple the other far from it My late oldest brother John sent me a couple of boxes back in 1993 chock a block with manuscript and newspaper printed stuff written by our father I looked through it quickly and was intrigued right away but didn t have the time to do anything with it Over a period of about a year I managed to root around considerably more along with my son daughter and wife and eventually I knew I d have to mess with it in a much more formal and intentional way But that was the simple part reading all the material lifting this bit from here and combining it with that shard from there to create a whole that didn t injure the narra tive deciding to stick with the newspaperman s spellings of words like thru and cigaret along with standard newspaper punctuation deciding how to include not just the best stuff but the typical as well All that simply comes with the turf of editing someone else s material

The much harder part though was the realization that I was in some ways on a fool's errand. My father died about five weeks before his fifty-second birthday. At the time we were living in New York City. That is, my parents were. I was the youngest of four children, fifteen, and with my older brother Bill, a high school student in Virginia. In spite of its rampant self-absorption, crudities, cynicisms, vulgarities, and erupting juices of sexuality, fifteen is a tender age. Maybe "vulnerable" is more accurate. In any event, it's an age when a boy, even a boy-man, really needs his father. It's a fragile time because the boy coming into manhood is coming into a period when he's just about ready to start knowing his father as another man, as a person, as a human being, as a wonderfully imperfect critter he can love in a way that transcends the boy-Dad relationship. It's always going to be father-son, but when the two are adults, that relationship changes, deepens, transforms. At least that's what I've seen and heard from those who got to go through it, and as I've experienced it from the father side with my own son. But I was suddenly and unexpectedly cut off from that chance. One night my father was alive, sitting at a card table in the living room, reading, as I recall, my mother telling it likely a mystery novel in the apartment in New York when he got bushwhacked by a massive heart attack. My mother, who was in their bedroom in the rear of the apartment, said she heard something fall. Hurrying out to see what had happened, she found him on the floor. She knelt by him and said he kept looking up at her, asking "What's wrong? What's wrong?" as though something had happened to her. Within five minutes he was dead. What these days might be called a lack of closure absolutely overwhelmed me, and one way or another I have been looking for my father ever since. One way or another, his wrenching disappearance has informed virtually everything I myself have ever written. So when I saw the mass of stuff in those boxes my brother sent me, I was again consciously, for the first time in years, on the gossamer trail of my father, hoping to find out something, trying to learn something, circling like a dog before she flops, anxious to discover something that would do what Easy It would let me know my father just as though he hadn't died when I was a boy, just as though he hadn't been a moldering in a Graceland Cemetery grave in Pine Bluff, Arkansas, for more than forty-five years. While all that was going on, another part of me was looking at the stuff, fascinated by the man's insights, intrigued with how his mind worked, embarrassed by his p

Surreal Spaces Joanna Moorhead, 2023-08-22 The British born artist and writer Leonora Carrington 1917-2011 is one of the vanguards in the history of women artists and the history of Surrealism. The interests of this visionary feminism, ecology, the arcane, and the mystical, the interconnectedness of everything, are now shared by many, negating the conventions of her time. Carrington abandoned family, society, and England to embrace new experiences and forge a unique artistic style in Europe and the Americas.
