Contemporary Japanese Textbook Volume 2 Eriko Sato, 2020-08-04 Contemporary Japanese is a textbook series for beginning students of Japanese at the college or high school level It is intended for classroom use as well as self study Each lesson in the books is very short meant to be covered in just an hour and has a single clearly defined objective All lessons make use of the active discovery approach which encourages rapid learning through guess and try problem solving and participation as opposed to rote memorization This highly effective method uses real life conversations that make learning fun by involving you in a conversation with your peers It also removes the fear of saying something wrong This book the second volume in the series contains 45 short lessons grouped into 12 chapters each of which presents a wide variety of activities and exercises and yet is designed to be covered in a single session This daily multivitamin approach to language learning makes it easy to track your progress and to review later Free online audio files can be downloaded providing native speaker recordings and giving correct pronunciations for the dialogs and vocabulary in each lesson In this book you will learn

more about Kanji and their meanings Japanese verb forms Comparison and stating preferences Using common set phrases and making requests Evaluating facts and expressing opinions Sightseeing food cravings and tastes Insights into Japanese culture Accompanying the textbook is Contemporary Japanese Workbook Volume 2 it serves as a supplementary material as well as a standalone comprehensive workbook for practicing and reviewing the language *Research in Education* ,1972
