Poetry Devotion for Attitude Promotion Robert Anthony Day,2009-10-20 It s been a long time coming for a dynamic book of poetry such as this The project contains beautiful faith filled biblically related poetry that will touch the hearts of people from all walks of life The poetry is written and expounded upon to reveal the author s beliefs and feelings and when scripture is used it reveals exactly what the bible is saying to people today on a myriad of different topics in our daily living Your soul will be indeed lifted to a higher height touched in such a gentle manner taken to a deeper depth of knowledge and moved beyond mountains while reading this devotional book of poetry and commentary The author sets the tone of this book by being blatantly honest but is fair meek and wise in his approach at explanations He wants you to hear the attitude mindset pulse or disposition of your conscience while reading in hopes that you won t want to put this work down on the coffee table until finished The attitude principles or truths contained in the book are already provided in the Word of God but are uniquely demonstrated through poetry arrangements in the context of having a great Godly attitude through varying situations Although a Christian poetry book these concepts can be read and practiced by everyone from all communities no matter what background all derive from or environment one may have been exposed to as a child youth teen or even an adult This book is full of eye opening messages but whatever is acquired from this work it s the writer s heartfelt desire that you attain something uplifting about a positive latitude of attitudes to help in your daily journey Hopefully these poems will inspire you today to encourage yourself in the Lord God
