## **Creating Spaniards:**

Creating Spaniards Sandie Eleanor Holguin, 2002 *Creating Spaniards* is a cultural and intellectual history that explains the intersection of politics and culture and the formation of a national identity during Spain's Second Republic and Civil War. It counters recent scholarship claiming that leaders of the Second Republic had no programs for inventing traditions to encourage a Spanish national identity. Focusing on the Second Republic 1931-1936, Sandie Holguin illustrates how various intellectuals and politicians of the Republican Socialist coalition used theater, literature, and film to aid the construction of a unified Spanish culture and history. She uses memoirs, journals, newspapers, parliamentary debates, and archival sources in her examination of the impact that cultural reforms had on the transformation of one of Europe's oldest states. *Making*

*Spaniards*. A. Quiroga, 2007-07-12 The regime of Primo de Rivera in Spain was one of the major dictatorships of the interwar period. *Making Spaniards* examines how the military regime created nationalist doctrine, rituals, and symbols, and how these were transmitted throughout Spanish society in an attempt to make new authoritarian Spaniards and halt democratic reform.

**Making Spaniards** Alejandro Quiroga, 2007-08-15 *Making Spaniards* offers a student-friendly analysis of one of the most unexplored yet crucial periods of modern Spanish history: the dictatorship of Primo de Rivera (1923-1930). The book focuses on the official nationalist doctrine developed during the dictatorship and the process of nationalization and the masses undertaken by the state. It argues that the intellectuals of the primorriverista regime outlined the principles of an extreme right nationalism that eventually became the doctrinal bases of the Franco dictatorship following the Spanish Civil War.

**Flamenco Nation** Sandie Holguín, 2019-06-11 How did flamenco, a song and dance form associated with both a despised ethnic minority in Spain and a region frequently derided by Spaniards, become so inexorably tied to the country's culture? Sandie Holguin focuses on the history of the form and how reactions to the performances transformed from disgust to reverence over the course of two centuries. Holguin brings forth an important interplay between regional nationalists and image makers actively involved in building a tourist industry. Soon they realized flamenco performances could be turned into a folkloric attraction that could stimulate the economy. Tourists and Spaniards alike began to cultivate flamenco as a representation of the country's national identity. This study reveals not only how Spain designed and promoted its own symbol but also how this cultural form took on a life of its own. **Miscellanies of Georgia** Absalom Harris Chappell, 1874

Flamenco Nation Sandie Eleanor Holguin, 2019 *A History of England and the British Empire: 1689-1802* Arthur Donald Innes, 1925 Family Politics Paul Ginsborg, 2014-01-01 An exploration of the convulsive history of the 20th century's first five decades seen through the lens of families and family life. In this masterly twentieth-century history, Paul Ginsborg places the family at center stage, a novel perspective from which to examine key moments of revolution and dictatorship. His groundbreaking book spans 1900 to 1950 and encompasses five nation-states in the throes of dramatic transition: Russia in revolutionary passage from Empire to Soviet Union; Turkey in transition from Ottoman Empire to modern Republic; Italy from

liberalism to fascism Spain during the Second Republic and Civil War and Germany from the failure of the Weimar Republic to the National Socialist state Ginsborg explores the effects of political upheaval and radical social policies on family life and in turn the impact of families on revolutionary change itself Families he shows do not simply experience the effects of political power but are themselves actors in the historical process The author brings human and personal elements to the fore with biographical details and individual family histories along with a fascinating selection of family photographs and portraits From WWI an indelible backdrop and imprinting force on the first half of the twentieth century to post war dictatorial power and family engineering initiatives to the conclusion of WWII this book shines new light on the profound relations among revolution dictatorship and family

**Basque Nationalism and the Spanish State**

André Lecours,2007-07-13 An examination of Basque nationalism from a historical perspective Basque nationalism has been extensively examined from the perspectives of Basque culture and internal conditions in the Basque Country but Andr Lecours is among the first to demonstrate how Basque nationalism was shaped by the many forms and historical phases of the Spanish state His discussion employs one of the most debated approaches in the social sciences historical institutionalism and it includes an up to date examination of the circumstances for and consequences of recent events such as ETA s announcement in 2006 of a permanent cease fire Lecours also analyzes other aspects of Basque nationalism including the international relations of the Basque Autonomous Government as well as the responses of the contemporary Spanish state and how it deploys its own brand of nationalism Finally the book offers a comparative discussion of Basque Catalan Scottish Flemish and Quebecois nationalist movements suggesting that nationalism in the Basque Country despite the historical presence of violence is in many ways similar to nationalism in other industrialized democracies Basque Nationalism and the Spanish State is an original and provocative discussion that is essential reading for anyone interested in the Basques or in the development of modern nationalist movements

## **Creating Spaniards Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Creating Spaniards has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Creating Spaniards has opened up a world of possibilities. Downloading Creating Spaniards provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Creating Spaniards has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Creating Spaniards. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Creating Spaniards. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Creating Spaniards, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Creating Spaniards has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers.

worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
