## **Creating Writers:**

**Creating Writers** Vicki Spandel, 2013 **Creating Writers** puts the six traits of writing in context showing how they are best taught within writing workshops and as a way of enriching the writing process This edition organizes all materials by trait features new one page writing guides and offers an increased emphasis on literature

**Creating Writers** Vicki Spandel, 2005 **Creating Writers** Fourth Edition is the most comprehensive exploration of the 6 trait approach to writing yet Written by the pioneer of 6 trait writing this Fourth Edition brings everything up to date offering a comprehensive overview of the best education strategies and philosophies from the worlds of writing assessment and instruction It provides clear guidelines on helping students draft assess and revise their writing as well as explicit criteria to show students precisely what they must do to succeed as writers in virtually any situation Widely used at the state level school districts are incorporating the 6 traits into their state standards or assessments This is the only book on the market that effectively helps teachers of writing prepare their students for success on state tests New format and organization is designed to make the content clear and simple New and revised checklists for genre specific writing instruction to separate key elements in narrative writing literary analysis and persuasive writing New and creative ways to use 6 trait writing in classrooms are explored including adaptations for kinesthetic learners and second language learners Ringing Endorsements for CREATING WRITERS Not only is **Creating Writers** the most comprehensive book ever on 6 trait writing instruction and assessment it is also a practical inspirational guide for any writing classroom It is one of those rare professional books that both teachers and administrators read cover to cover and you will find the well worn copies on their desks to prove it This extensively revised edition with voluminous examples from students and literature draws the strongest link yet between writing assessment and instruction No writing classroom should be without it Barry Lane Author of *After THE END Teaching and Learning Creative Revision The Reviser's Toolbox and The Portfolio Sourcebook* Spandel has done it again In **Creating Writers** Fourth Edition she shares her current thought and unparalleled skill framed around the traits of writing The originator once again inspires us with practical enriched instruction and assessment applications promising practices for teaching and learning at its zenith On behalf of classroom teachers everywhere Thank you Vicki Dr Donna Flood Director of Staff Development and Instructional Improvement Millard Public Schools Omaha NE If you're only going to read one book about teaching writing this year make it **Creating Writers** It is lively and fast paced filled cover to cover with practical help on using the six traits to enrich writing instruction and assessment from one on one writing conferences to building craft lessons This book gives you and your students a shared language with which to talk about writing No writing teacher in America has done more than Vicki Spandel to show how to actually make writing workshops work Whether you're a new teacher or a veteran you will find both inspiration and how to do it strategies in **Creating Writers** As an added bonus you will find that the strategies detailed in this book prepare students for success on state writing assessments as well as for their journey as life long writers Dr Tommy

Thomason Head of Journalism Texas Christian University Ft Worth Texas For more information on this book and related books visit [www.abprofessionaled.com](http://www.abprofessionaled.com) *Creating Young Writers* Vicki Spandel,2008 This long awaited book offers the most comprehensive exploration of Spandel s effective 6 trait approach to writing for K 3 teachers The perfect complement to its phenomenally successful parent text *Creating Writers* Fourth Edition this new book provides clear guidelines on helping young students draft self assess and revise their writing as well as explicit criteria to show students precisely what they must do to succeed as writers in virtually any situation including state tests In practical and teacher friendly terms acclaimed author Vicki Spandel explains six trait writing from the inside out in terms teachers and their students can understand and offers hands on links to writing process and to reading showing that for beginning students hearing the traits in literature can be as important as expressing them through personally generated text The text is designed to give practicing and new teachers a more in depth understanding of the writing process and how it connects to the six traits while encouraging them to continuously write with students and model their own personal writing process for use in the K 3 classroom or as part of a study group Reviewers consistently call it a powerful resource for primary teachers but many teachers of older students have found it invaluable as well because it simplifies writing giving struggling students of any age ready access to what has felt formidable and difficult **Creating Writers** James Carter,2009-12-04 This unique and comprehensive text offers an original approach to teaching creative writing by exploring ideas giving advice and explaining workshop activities and has many contributors from some of today s most popular children s authors including Jacqueline Wilson Roger McGough Philip Pullman Malorie Blackman and David Almond *Creating Writers* is a practical writing manual for teachers to use with upper primary and lower secondary level pupils that covers poetry fiction and non fiction

*Creating Writers in the Primary Classroom* Miles Tandy,Jo Howell,2008-05-12 Teachers in English schools have now had ten years of prescriptive national literacy strategies and it is time for a new approach This book encourages children from their early years to think of themselves as writers who have something to write and know how to write it *Creating Writers in the Primary Classroom* offers an exciting and refreshing approach to teaching writing in the primary school with very practical suggestions to help build a community of writers in your school where everyone writes and loves writing Building on the research of recent years and with whole curriculum provision it shows teachers how to actively engage children in the writing process excite them about what they can achieve and help all children to think of themselves as writers The book begins with a clear analysis of what real writers really need and has chapters on working outdoors using the very best of children s literature drama and imaginative play as well as sounds and images It also features a chapter on practical productive planning including two case studies that show the approaches in use at schools *Creating Writers in the Primary Classroom* is packed with practical advice games and strategies for the classroom based on the authors successful experience as teachers and in service providers These new approaches will enable teachers to get their children up and moving
