Hotchkiss, 2012-11-12 In this book the author explores medieval society's fascination with the cross dressed woman The author examines a wide variety of religious literary and historical sources which record interpretations of sartorial attempts to overcome gender hierarchy and also illustrate mainly through the device of inversion a remarkably sustained desire to examine and reexamine the nature of social gender identities

Why Not? Barbara Deloto, Thomas Newgen, 2018-09-10 Male feminization for fun and growth Why not It's a question that critical thinkers ask about many subjects Everyday there's someone who sees something and instead of saying no they ask why not What if the Wright brothers agreed with everyone that man can't fly What if Henry Ford believed like everyone else that there could be no mass production What if Galileo gave up on the idea that the world is round and not flat like the Church wanted him to If something can be beneficial for you or others but the accepted societal view says it's wrong does that really make it wrong Male to female crossdressing is one of those things Sometimes viewed as an unmanly due to societal paradigms and beliefs and called a deviant behavior it's carried a stigma with it Does that mean it shouldn't be done Women are allowed to cross dress it has become commonplace for women to wear men's styles of clothing yet men are forced to stay in men's clothes Dresses skirts stockings and all the feminine accoutrements have fallen to the wayside for most women today and it's perfectly acceptable for them to wear flannel shirts with jeans or sweatpants with sneakers or flat shoes Why not Why shouldn't a male be offered the same flexibility Until the time comes when open mindedness is more prevalent and paradigms and beliefs are changed it's still possible to do in secret or with likeminded people and groups and the benefits are just as great To balance the individual's masculine and feminine energies and activate the rise on Maslow's hierarchy of needs is not a trivial thing and that is just one of many benefits it brings If you a person close to you a spouse or partner or a friend of yours is involved in male to female crossdressing has an interest in it or is bored and wants to try something new and exciting then drop the veil of illusions by creating a new feminine illusion and thrive Read on and see what benefits can follow in this thoughtful short read that just might improve your or someone else's life or at least help you understand it better Look inside now
