Greene,1966 I have long been aware of the need for a verse by verse commentary on The Gospel of John and the Lord has laid it on my heart to attempt such an exposition John s Gospel is long and in many places quite detailed Its presentation therefore will require more than one volume and will involve many months of study and dedicated work Since The Gospel According to John is known as the salvation Gospel it should be understood by and made familiar to all who are interested in soul winning Its message should also be presented with such clarity and power as to make it effective in reaching the hearts of sinners who read it This I have tried to do in this volume and in those that will follow The key to John s Gospel is found in chapter 20 verses 30 and 31 And many other signs truly did Jesus in the presence of his disciples which are not written in this book but these are written that ye might believe that Jesus is the Christ the Son of God and that believing ye might have life through his name John presents Christ as the Eternal Word incarnate very God in flesh revealing God in the terms of a human life The details recorded in John s Gospel are sufficient evidence of his personal association with the people and the experiences of which he writes In fact he stresses the word witness using it frequently to set forth the verified facts of that personal experience Foreword of Volume 1      [The Quest for the Origin of John's Gospel](#) Thomas L. Brodie,1993-07-29

Drawing on the insights of ancient literary theory and practice this book seeks to unlock the age old puzzle of the relationship of John s gospel to the other gospels and to the early Christian church Applying a new method to an old problem Brodie uses a form of source analysis that takes account of the practices of ancient writers to reveal John as someone who deliberately rendered the earlier gospels into a new language The deeply theological and at the same time more down to

earth voice characteristic of John is revealed to be not that of a marginal community the Johannine community but of an independent prophetic presence within the mainstream church *The Gospel According to John* LEON. MORRIS, 2025-03

Rushdoony, Jesus is the true bread of life come down from heaven His flesh His true humanity is our bread of life this He  
gives for the life of the world We are in Him no longer the sinful and death bound sons of fallen Adam but the just and life  
bound people of the last Adam Christ gives us His flesh His glorious humanity so that we are remade into people of  
righteousness and eternal life In this commentary the author maps out the glorious gospel of John starting from the obvious  
parallel to Genesis 1 In the beginning was the Word and through to the glorious conclusion of Christ s death and resurrection  
Nothing more clearly reveals the gospel than Christ s atoning death and His resurrection They tell us that Jesus Christ has  
destroyed the power of sin and death John therefore deliberately limits the number of miracles he reports in order to point to  
and concentrate on our Lord s death and resurrection The Jesus of history is He who made atonement for us died and was  
resurrected His life cannot be understood apart from this nor can we know His history in any other light This is why John s  
testimony is true and while books filling the earth could not contain all that could be said the testimony given by John is  
faithful [The Gospel According to John](#) William Milligan, W F 1835-1898 Moulton, 2023-07-18 This commentary on the

Matthew ends the silence of four hundred years between Malachis prediction and the declaration of the introduction of Jesus Israel was under the mastery of the Roman Empire No man of the place of David had been permitted to sit on the position of royalty for a long time Presently the quiet is broken and the coming Messiah pronounced The book of Matthew trails the Old Testament and is start of the New It is the interfacing joined between the books It is composed for the Jews and it is fittingly set It underestimates that the course of occasions is known to its perusers The Old Testament had shut with the picked country searching for their long guaranteed king their messiah Matthews gospel demonstrates that Jesus was that King that Messiah It is the gospel of satisfaction Matthew exhibits the Lord Jesus in an unmistakably Jewish relationship Just in this one of the four gospels do we discover a record of the Messiahs assertion I am not sent but rather unto the lost sheep of the place of Israel Matt 15 24 What did His own kin do with Him See John 1 11 In numerical position the book of Matthew is the fortieth in the ordinance Thirty nine books in the Old Testament then Matthew Forty is dependably various testing or probation in scripture Jesus was enticed of the villain for forty days Israel was in the wild for forty years David was the best for forty years Moses was in a royal residence for forty years then on the rear of a leave for a long time In this fortieth book of the Bible Israel is in the place of probation and testing by the nearness of the Messiah in their middle Jesus Christ is displayed as King to the Jews and they dismiss Him as their Messiah as well as their Savior Matt 16 21 *The People's Bible: John Joseph Parker, 1893* **The Gospel According to John and the Johannine Epistles** Neal M. Flanagan, 1983

**A Commentary** John Thomas Wylie, 2017-08 Dr John Thomas Wylie shows the reason for this book in the presentation and states it is obvious in John 20 31 John wrote to demonstrate that Jesus was the Christ the guaranteed promised Messiah for the Jews and the son of God for the Gentiles and to lead adherents into an existence of celestial fellowship with him The keyword is trust believe We discover this word ninety eight times in this book The subject of John s Gospel is the God of Jesus Christ More here than anyplace else his awesome sonship is put forward In this gospel we are demonstrated that the babe of Bethlehem was none other than the only begotten of the Father There are confirmations and verifications given without number Albeit all things were made by him despite the fact that in him was life yet he was made flesh and dwelled among us No man could see God Subsequently Christ came to declare him *The life of Jesus critically examined, tr. [by M.A. Evans]. Stereotyped ed., tr. by George Eliot* David Friedrich Strauss, 1898 **The Gospel According to John** Herman Ridderbos, 2018-08 New in the Eerdmans Classic Biblical Commentaries collection In this commentary on John originally published in Dutch in 1987 and translated into English a decade later Herman Ridderbos engages the host of twentieth century interpretations while also developing his own integral understanding of John in which the Gospel emerges as a profoundly theological work Beginning with a theological introduction on the peculiar character of the Fourth Gospel Ridderbos uses verse by verse exposition to unpack John s distinctive apostolic character offering expert literary and homiletical exegesis of the Fourth Gospel as the Christian church adopted it
