Ambition And Success:

Ambition and Success Orison Swett Marden, 1919 Ambition and Success Orison Swett Marden, 1984-08-08 *Ambition and Success* is an incredible self help book through which the author enlightens the readers by his remarkable outlook on achievements in life. Some people have a strong will to succeed but do not have the ambition to authorize their power while others have ambition or dreams but they do not possess a strong will. The author assures that by acknowledging their belief readers are bound to succeed irrespective of all limitations and hurdles. This book is certainly one of the greatest classics written by Orison Swett Marden. Orison Swett Marden was an American writer associated with the New Thought Movement. He was a successful hotel owner who also persevered in advancing himself and graduated from Boston University in 1871. He later graduated from Harvard with an M.D. in 1881 and an L.L.B. degree in 1882. His writings discuss common sense principles and virtues that make for a well rounded successful life. Many of his ideas are based on New Thought Philosophy. His first book *Pushing to the Front* 1894 became an instant best seller.

Endorsements e *Forward Story* is a compilation with interesting storytelling of everything I have learned about life success and failure in my eighty three years. Casey relies on his ability to guide persuade and motivate others to a higher level of achievement to successful accomplishment and to the satisfaction of a job well done. Read the book. Take the advice. Follow the steps in writing your own *Forward Story*. You will be glad you did e Jimmy Creel Ed D Assistant Professor Lamar Universitye For every dramatic performance every achievement every success there s a story behind the story. It s called the backstory. Mark Casey writes the more important chapter the *Forward Story*.

This is a guide to help you achieve that success to realize your performance and to live your dream Pulling from his own goal oriented successes and inspired by the achieved dreams from science literature public service and sports Mark provides a practical handbook to help you write your future and live the life you have yet to imagine e Thomas Graham President and CEO Crosswind Communications LLCe I enjoyed three consecutive careers as a preacher lawyer and corporate senior executive so I have had my share of transitional moments As I was preparing to retire several years ago Mark shared the concept of this book with me My wife and I wrote our Forward Story for the first two years of retirement and what a positive difference that made Mark s book is a refreshing reminder of what it takes to successfully maneuver through the ambiguities of life s constant flux Whatever your age and whatever changes you are facing take the time to read and ponder this book e James W Poppell former Executive VP Retired NextEra Energy Inc *The Law of Financial Success* Edward E.
