Good Citizenship Julia Richman,Isabel Richman Wallach,1908 Investigation has shown that the greatest number of violations of law in large cities are due not so much to disrespect for authority of the Law as to ignorance of the Law especially of that part of the Law covered by local ordinances It is far more important for the welfare of the state that a child should be made to realize his present obligations to the commonwealth than that he should know the qualifications of a United States Senator The belief that a knowledge of things close at hand should be acquired first and that such knowledge should be made to include the personal relations of the child to the Law is rapidly becoming an educational principle This book is planned to meet the needs of fourth year children but in the hands of an intelligent teacher it can be used both in higher and in lower grades It is hoped therefore that the book will be of real help to all teachers who aim to bring children to a realization of their best selves and to all children who are capable of appreciating the worth of good citizenship From the Preface

Fire Protection Service ,1920 **The Literary Digest** Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,Arthur Stimson Draper,Wilfred John Funk,1911 *Clarence Milton, the Heroic Fireman* A. L. Mackenzie,1900 **The Fireman** Tudor Jenks,1911 **The Weekly Underwriter** Alasco Delancey Brigham,Henry Rogers Hayden,1910 **The Papers of Martin Luther King, Jr., Volume VI** Martin Luther King Jr.,2023-11-15 Dedicated to documenting the life of America s best known advocate for peace and justice The Papers of Martin Luther King Jr breaks the chronology of its series to present King s never before published sermon file In 1997 Mrs Coretta Scott King granted the King Papers Project permission to examine papers kept in boxes in the basement of the Kings home The most significant finding was a battered cardboard box that held more than two hundred folders containing documents King used to prepare his celebrated sermons This private collection that King kept in his study sheds considerable light on the theology and preaching preparation of one of the most noted orators of the modern era These illuminating papers reveal that King s concern about poverty human rights and social justice was clearly present in his earliest handwritten sermons which conveyed a message of faith hope and love for the dispossessed His enduring message can be charted through his years as a seminary student as pastor of Dexter Avenue Baptist Church as a leader of the Montgomery bus boycott and ultimately as an internationally renowned proponent of human rights who saw himself mainly as a preacher and advocate of the social gospel Ten of the original and unedited sermons King submitted for publication in the 1963 book *Strength to Love* and audio versions of King s most famous sermons are the culmination of this

groundbreaking work Dedicated to documenting the life of America s best known advocate for peace and justice The Papers of Martin Luther King Jr breaks the chronology of its series to present King s never before published sermon file In 1997 Mrs Coretta Scott Kin The Young Woman's Journal ,1905
