Reports of Cases Determined in the Appellate Courts of Illinois Illinois. Appellate Court, Martin L. Newell, Mason Harder Newell, Walter Clyde Jones, Keene Harwood Addington, James Christopher Cahill, Basil Jones, James Max Henderson, Ray Smith, 1899 *The Nursery*, 1868 [Nine Lives to Eternity](#) Scott D. Gottschalk, 2010-12-11 *Nine Lives to Eternity* is a true chronicle of cheating death time and again This inspirational and faith driven human triumph details the aftermath of my many harrowing experiences and mishaps any of which should have resulted in certain death Each time I was somehow incessantly saved by guardian angels The numerous near death experiences accounted for twenty six fractured bones and rendered me unconscious on five separate occasions yet somehow I lived to tell my compelling story of survival and triumph over death By the release date of this book the good Lord has allowed me to somehow somehow survive up until and beyond the celebration of my fifty fifth birthday Trust me when I reiterate that my life hasnt been a painless journey while defeating death on a habitual basis Beginning as a mere infant at the age of nine months old and then continuing through fifty five years Ive cheated death again and again During my lifes journey Ive survived an unfathomable twenty seven encounters with death Ive escaped death through seven different machinery and equipment mishaps Ive avoided horse or mule death challenges no fewer than five times Although one of my lifes greatest pleasures has always been motorcycling Ive paid a price by suffering through five singular accidents that should have terminated my life Few in life could survive even one automobile crash yet Ive lived to describe three separate vehicular collisions In addition Ive escaped death from toxic fumes twice and twice averted death threats while working within dangerous third world countries Ive even fallen from a rooftop nearly crashed in an airplane and lived through a poisoning yet by the grace of God Ive failed to become a fatality statistic Ive often joked that for every day in which I dont read my own name within a newspaper obituary column that becomes a really good day for me To survive so many brushes with death is difficult to absorb My goal driven ambitions have unfortunately brought me to the threshold of death numerous times Ive driven myself to limits that few would attempt Early in life I set a goal for myself to try and fit three lifetimes of experiences into my short time on this planet As a youth I never believed that I would survive beyond an age of forty years Most certainly my high risk behaviors reduced my odds for a lengthy existence As my life unfolded the numerous encounters with death became staggering Between the ages of nine months up until nine years I faced death three times From the ages of ten years through my nineteenth birthday death crossed my pathway four more times During my tumultuous twenties from the ages of twenty years through twenty nine years I survived eight separate death encounters Between the ages of thirty years through thirty nine years my chances of death slowed down to two By the ages of forty years through forty nine years the Grim Reaper visited me on three separate

occasions As I reached midlife I discovered that the pace of my death engagements was increasing From the ages of fifty years through fifty five years Id already amassed five singular close encounters with death Perhaps that assertion should come as no surprise Since reaching my fifties Id done little to slow down or reduce my zest for life and risk taking determination Few adults when faced with their own midlife crisis will attempt such outlandish feats as mountain climbing to the summit of Devils Tower in Wyoming or riding a motorcycle nonstop for ten thousand miles or consulting in the midst of a war within the country of Afghanistan Im thankful for each and every day that Im allowed the privilege of living I try to give thanks and praise to my Lord every day for granting me the tenacity to overcome even the worst of survival odds Through my strong faith and spirituality and by never accepting defeat Ive been able to constantly repel the onset of death
