Black Diaspora ,2001 Sister 2 Sister ,2002 **His Destiny** Carolyn Washington,2010-06-18 Can love really conquer all when there are promises to be kept and pride is put above all else Isis and Tyson are faced with many obstacles that are bound to keep them apart Tyson wealthy domineering and strong a typical alpha male has made promises to his dying father but now he is faced with the dilemma keep his promise or lose the love of his life his soul mate his destiny Isis very strong willed and independent was torn from her drug addicted mother when she was a child and placed in foster care Will her pride and or her independence cost her true love or will she risk it all and submit to her heart to love and become his destiny **"Born in a Mighty Bad Land"** Jerry H. Bryant,2003-04-03 The figure of the violent man in the African American imagination has a long history He can be found in 19th century bad man ballads like Stagolee and John Hardy as well as in the black convict recitations that influenced gangsta rap Born in a Mighty Bad Land connects this figure with similar characters in African American fiction Many writers McKay and Hurston in the Harlem Renaissance Wright Baldwin and Ellison in the 40s and 50s Himes in the 50s and 60s saw the bad nigger as an archetypal figure in the black imagination and psyche Blaxploitation novels in the 70s made him a virtually mythical character More recently Mosley Wideman and Morrison have presented him as ghetto philosopher and cultural adventurer Behind the folklore and fiction many theories have been proposed to explain the source of the bad man s intra racial violence Jerry H Bryant explores all of these elements in a wide ranging and illuminating look at one of the most misunderstood figures in African American culture This Day In Comedy Frank Holder,Darryl Littleton,2019-11-04 On This Day in Comedy is not just an encyclopedia but a celebration of comedy In humorous prose the book takes readers through the often neglected subcultures of comedy in America acknowledging the inclusiveness of the performers as well as shows and films that made this art form so vital to comics of all backgrounds It s artistically criminal that a search for Native American or Asian comedy information yields a virtually blank slate Look for Middle Eastern comics and you ll be provided information on the region s comic book revolution and search results for Latin comedy are confined to a series of outdated articles This encyclopedia will offer rare and in some cases never before seen photos and obscure facts making it an indispensable comedy essential *The Oxford Handbook of Screen Comedy* Peter C.
