Parents Mary Jane Grange R.N., 2012-02-14 With The Medicine Wheel for Stepparents I hope to give some understanding and relief to blended families Stepparents have common threads of dysfunction There are many issues that form these common threads These issues occur between stepparent and stepchild and biological parent biological child and extended family in blended families I have listed the issues and have offered affordable solutions that are within our grasp These common threads reappear in every aspect of family life including financial matters such as your child's Social Security checks child support checks medical bills and the parents will These issues occur when the power structure changes in a home after a divorce or death in a family Everyone is left in a gigantic power struggle which retires parents prematurely Stepparents and stepchildren feel that they must protect their territory ego and family with secrets isolation intimidation manipulation and stonewalling behavior When stepfamilies are choking parents stepparents and stepchildren do not have to be severely depressed take multiple medications for depression and energy get a divorce or attempt suicide for relief Biological parents and stepparents do not have to be retired prematurely There are better ways to keep everyone functioning in blended families My book will not take away all the opposition you experience in blended families We learn by overcoming opposition not creating opposition This book helps you analyze and carry the opposition to your efforts for your blended family

YACO AND ETERNITY Rubén Palma, 2026-03-09 Yaco is a stray dog who is happy because Ema the crazy homeless woman from the market has adopted him At last he feels like a useful dog accompanying his new owner Together they face the hardships of life on the street But all of a sudden unknown and threatening humans prevent him from reuniting with Ema Thanks to Broken Wing the wise and enigmatic seagull Yaco understands that he is now in the Midworld an intermediate world a dreamlike dimension where illusions are lived as reality Saddened by being forever separated from Ema Yaco agrees to look for a new owner to be a faithful friend to that is the duty of a good dog even in the Midworld Yaco embarks on a perilous journey adorned with an incredible gallery of characters among them a monster that possesses an abyss where those who have lost meaning fall a dung beetle that dances atop his ball and knows of a place where those in search of something find it a monster woman with the body of a dog who leads a band of vengeful dogs a little man with a torch who explains God

but cannot find Him and many others Yaco ventures into the depths of the Midworld where he fights not to lose himself while confronting his fears and a past full of mistakes that resists being remembered Broken Wing appears sporadically offering advice which he does not always want to hear but which later will serve him Finally Yaco must choose between a dreamed and pleasant life that he could have here and now and the duties of a good dog The story is based on Cholito the stray dog whose death in 2017 catalyzed the Cholito Law to penalize animal abuse in Chile Inspired by The Egyptian Book of the Dead Book of Going Forth by Day The Tibetan Book of the Dead Bardo Thodol and the myths of Preta Loka Charon Limbo and the Guardian Angel in Zoroastrianism and Emanuel Swedenborg Edgar Allan Poe Lewis Carroll Hermann Hesse Richard Bach Antoine de Saint Exup ry Raymond Moody and others **Adventure** ,1915 **The Bridgemen's Magazine** ,1913
