Broken Boy:

The Broken Boy Linda Gillard, 2008-09 A true story of God's love and faithfulness for the broken and abused For years I wanted to write the story of the abuse that my father suffered at the hands of his father but he was always a little concerned that he may offend some family members with the truth of his terrible story Finally at the age of 86 and with the encouragement of his living siblings he told the whole story of how as a child he had been broken physically emotionally and mentally and how that abuse led him into a life of crime He told of the miraculous way that he found Christ and how he had to serve prison time when he paid restitution This story is truly amazing God in his loving kindness can fix and restore even a broken boy

Broken Boy Fabian Arnold, 2024-12-09 **BROKEN BOY TRYING TO FIGURE OUT LIFE** by Fabian Arnold Broken Boy is a raw look back at the lessons I've learned through my own struggles with mental health the setbacks that nearly broke me and the small victories that kept me going This book isn't just my story it's a collection of insights reflections and lessons inspired by other books documentaries and speeches that helped me find shortcuts along the way It's for anyone who's ever felt stuck out of place or unsure of how to keep moving forward Whether you're searching for meaning trying to overcome your past or simply hoping to build a life that finally feels like your own Broken Boy is here to guide you Think of it as a summary of everything I've gathered on this journey called life a guide to help you find strength face your fears and create a future that feels true to you Sometimes the answers we need are already within us we just have to go through the tough stuff to bring them to light Life is like a rollercoaster filled with ups and downs and as soon as we learn to enjoy the ride we can find the true purpose in life The only thing about life is that we can't just buy another ticket when it's over So fck it and live Since childhood I always felt like something was a bit off in my head like I was on the outside watching life go by without quite fitting in In my head I felt broken As I grew older life threw plenty of curveballs my way depression heartbreak and the constant pressure to fit in I never really knew what I wanted and for a long time I was just trying to find my place After successful studies as an insurance merchant I went to Australia and eventually found myself drawn into a new life as a model actor and writer now navigating the highs and lows of Hollywood Hope it helps Fabs
