Smith,2000 The first edition of the Centennial Buckeye Cook Book was published in 1876 Between 1876 and 1905 a total of thirty two editions of the cookbook were published and more than one million copies sold The book began as a project of the Marysville Ohio First Congregational Church when the women of the church decided to publish a cookbook in order to raise money to build a parsonage Their effort launched a cookbook that rapidly became one of the most popular publications of nineteenth century America This is the first reprint of the original 1876 edition
