Jazz Improvisation Antonio J. Garcia,2016-10-01 Meredith Music Resource If grading music students in any creative course for credit is a challenge how much more difficult is it to grade something as personal and nebulous as jazz improvisation Should students be evaluated on their creativity in soloing or simply on technical skills such as chords and scales What are the objectives in an improv course and how can they be graded The instructors whose responses are presented in this book represent over 700 years of combined experience teaching jazz improvisation over 400 of those years for credit

Jazz Improv ,2007 *Music and the Creative Spirit* Lloyd Peterson,2006-07-27 Like most ground breaking art forms contemporary creative music is rarely understood or accepted in its own time and for those reasons can largely go unheard Music and the Creative Spirit Innovators in Jazz Improvisation and the Avant Garde aims to give today s brightest music innovators due recognition and respect celebrating their work and creativity Through personal interviews artists such as Pat Metheny Regina Carter Joshua Redman Fred Anderson Dave Holland Bill Frisell David Murray and John Zorn to name just a few offer clear frank discussions

about music creativity work society culture current events and more Author Lloyd Peterson has hand picked these artists specifically for their ability to express themselves through their own creative voices and transcend their art form through the strength of their own ingenious spirit Their music eschews categorization genre or style and the book necessarily takes a broader view of jazz tapping into the inventive aspect that is difficult to describe or teach and is rarely discussed By allowing the innovators an opportunity to speak for themselves readers are afforded a clearer sense of their attitudes and approaches their ways of working and their views of contemporary music and society *Saxophone Journal* ,2008
