Dominance And Affection:

Dominance and Affection Yi-Fu Tuan,1984 Tuan does a masterful job exploring the condescending human treatment of animals as playthings that exist only for our entertainment He charts the malevolent history of male domination over women and children and the sad chronicle of slaves dwarfs and other freaks treated as human appliances or toys This provocative study of power in the world of pleasure play and art is a tour de force Cultural Information Service A brilliant book that will appeal to a wide audience The volume provides excellent material for school and college seminar debates on humankind s place in nature and attitudes toward other living things A penetrating analysis Readable at all levels Choice **Dominance & Affection** Yi-fu Tuan,1984-01-01 This study of the psychological impulse to make pets examines the interplay of pleasure aesthetics play and power in the molding and domination of nature animals and human beings by human beings

Dominance & affection Yi-Fu Tuan,1984 **Dominance and Affection** Yi-Fu Tuan,2009 **Animal Entanglements** Erika Cudworth,2024-04-01 This book provides an insight into the everyday lives and experiences of people who live with dogs as companions and glimpses aspects of the lives of the dogs who share their homes It is framed sociologically and as such considers the various forms of power relations which shape the lives of those kept as pets and their human owners In recounting stories of companion humans and dogs the co constituted quality of life is clear However while dogs as agential beings with needs desires and a point of view are able to shape outcomes and change aspects of their lived experience the world they inhabit is profoundly geared to human inhabitants and the most privileged ones at that The book revisits the notion of pet keeping as the interplay between domination and affection arguing that these do not exist as a continuum but a mesh of complex relations played out in the use of homespace in the kitchen the bedroom the in the public world of park and the street Those living with dog companions as well as the dogs themselves find their lives are muddled both literally and figuratively boundaries are tested and recast and the complications of inter species cohabitation negotiated by all parties Through an innovative theoretical contribution Cudworth conceptualizes human relations with companion dogs in terms of complex social relations that involve both systemic forms of domination as well as nonhuman agency in shaping social relations and social forms **A Study of the Relationships Between Certain Aspects of Parental Behavior and Attitudes and the Behavior of Junior High School Pupils** John Peyton Anderson,1972 **The Psychology of Trust** Martha Peaslee Levine,2023-01-18 Trust has always been complicated This book works to examine aspects and theories of trust Chapters look at trust in the workplace It considers types of leadership and how that influences the trust of employees As workplaces and societies become more diverse there can be an impact on trust Many times individuals will have implicit biases that can influence their perception of others and their ability to trust Trust has also become more complicated with the advent of the internet We can now connect with more ideas and individuals Yet is the person who communicates back with us real Is it someone with a fake account or maybe not even a person at all but a robot Even though trust is complicated

and we can sometimes be taken advantage of we still need to find ways to trust others in our lives Trust allows us to develop a community We have always needed the community to be safe both physically and emotionally This book allows you to connect with new ideas and aspects of trust **Weaving Ourselves into the Land** Thomas Parkhill,1997-01-01 Examines how both negative and positive stereotypes of the Indian have influenced the study of Native American religions

Communicating in Interpersonal Relationships Blaine Goss,Dan O'Hair,1988 *Fools and idiots?* Irina Metzler,2016-02-01 This is the first book devoted to the cultural history in the pre modern period of people we now describe as having learning disabilities Using an interdisciplinary approach including historical semantics medicine natural philosophy and law it considers a neglected field of social and medical history and makes an original contribution to the problem of a shifting concept such as idiocy Medieval physicians lawyers and the schoolmen of the emerging universities wrote the texts which shaped medieval definitions of intellectual ability and its counterpart disability In studying such texts which form part of our contemporary scientific and cultural heritage we gain a better understanding of which people were considered to be intellectually disabled and how their participation and inclusion in society differed from the situation today *Psychosexual Problems* Sidney Crown,1976 **An Abstract of a Study of the Relationship Between Boy's Perception of Parental Attitudes and Their Predelinquency** Jacob Chwast,1956 **The Animal's Agenda** ,1985 *Studying Role Behavior Cross-culturally* Stanley A.
