## Dearest Father:

**Dearest Father** Franz Kafka, 2019-07-07 Conflict between father and son is one of the oldest themes in literature and in this open letter to his father a letter which was never sent Kafka tries to come to terms with one of the most deeply rooted obsessions of his troubled soul Written as a long tense and dramatic confession in which writer and man are gathered together in front of an ambivalent figure of authority e Dearest Father e is a desperate attempt to retrace the origins of a turbulent and highly conflicted relationship between an unflinching parent and an extremely sensitive child Both a merciless indictment of his father and an impassioned appeal to him Kafka s inspired work is one of the most lucid and touching psychological documents of the twentieth century

**Dearest Father** Franz Kafka, 1954 *Adventures and Enthusiasms* Edward Verrall Lucas, 1920 There are certain qualities that we all claim We are probably wrong of course but we deceive ourselves into believing that short as we may fall in other ways we really can do this or that superlatively well I ll say this for myself we remark with an approving glance in the mirror at any rate I m a good listener or Whatever I may not be I m a good host These are things that may be asserted of oneself by oneself without undue conceit I pride myself on being a wit a man may not say or I am not ashamed of being the handsomest man in London but no one resents the tone of those other arrogations even if their truth is denied It is less common although also unobjectionable to hear people felicitate with themselves Pg 14 on being good guests Indeed I have lately met two or three who quite impenitently asserted the reverse and I believe that I am of their company Trying very hard to be good I can never lose sight of the fact that my host s house is not mine Fixed customs must be surrendered lateness must become punctuality cigarette ends must not burn the mantelpiece one misses one s own China tea The bathroom is too far and other people use it There is no hook for the strop In short to be a really good guest and at ease under alien roofs it is necessary I suspect to have no home ties of one s own certainly to have no very tyrannical habits

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
