The Death and Resurrection of Elvis Presley Ted Harrison, 2016-09-15 There is no other way to put it Elvis is the King Note the present tense even though Elvis supposedly died nearly forty years ago he has lived on in our hearts as a sound as an image and as an especially vigorous personality In fact it's safe to say no other celebrity has done so quite as well The Death and Resurrection of Elvis Presley is the story of that afterlife of Elvis after he left the building Walking the eccentrically carpeted rooms of Graceland bidding into stratospheric sums on his auctioned relics and mingling among the some 200 000 impersonators of his likeness Ted Harrison offers nothing less than the ultimate Elvis tribute Harrison begins of course in pilgrimage to Graceland He shows how Elvis's estate was pillaged nearly to ruin by his manager but was saved through the deft business acumen and financial vision of his divorced wife one Priscilla Presley If Graceland seems holy that's because it is Harrison unveils in Elvis's allure a deeply spiritual dimension showing how Elvis fans over the decades have anointed their idol with Christ-like qualities Through Elvis's extravagance Harrison raises fascinating links between money and faith and through Elvis's life he shows how the King actually fulfilled a host of roles ranging from hero to martyr to saint Underpinning the whole story is Elvis's extraordinary charisma and lest we forget his astonishing musical genius Fascinating colorful and deeply informative this book is a must have for any fan anyone who was ever lucky enough to see Elvis alive or who hopes they might still be able to

Evidence of Murder Michael John Sullivan, 2021-07-07 After fifteen years of extensive research the non-fiction book EVIDENCE OF MURDER Investigating the Strange Death of Elvis Presley presents the first full in depth critical study of the complete facts of Elvis sudden demise This book has been an uncompromised quest for the truth and the result is both astonishing and shocking All of the facts in the book firmly establish one and ONLY one conclusion ELVIS PRESLEY WAS MURDERED Unrelentingly focusing on the vital aspects of WHY the murder was committed HOW it was brilliantly and flawlessly executed and exactly WHO the perpetrator was the book meticulously examines seven prime suspects and then carefully eliminates them one by one until the guilty assassin is fully and unmistakably exposed A shocking revelation that the previous hard facts of the investigation will make it impossible for any honest reader to dispute or reject And on the contrary those legions of doubters who have closed their minds to rational thinking and clear facts will probably most happily have found a topic which they will hotly and vehemently debate for the rest of their lives Elvis Presley was the icon of the Twentieth Century and he has remained a SuperStar without rival His sudden death in the summer of 1977 has unceasingly been something of a mystery an unexplained and misunderstood event creating an intense fulcrum of fascination and highly

charged emotion and confusion and doubt for almost half a century A variety of theories and hasty conclusions ALL of them erroneous and false have weakly sought to solve the mystery of Elvis premature sudden death Now with vital new pieces of the puzzle available it has been finally possible to assemble the true facts of this very surprising mosaic of murder and betrayal and corruption facts discovered in FBI and government private files hidden medical and hospital records and interviews with Presley intimates Thus all of the facts and information lead directly to only one conclusion Elvis was NOT the victim of an accident or a death from natural causes Elvis death was a crime MURDER The Superstar was the victim of an elaborate and ingenious plot motivated by FEAR GREED and REVENGE EVIDENCE OF MURDER is a fascinating and thrilling journey through the solution of one of history s most carelessly handled and amazingly ignored murder cases All of the facts in the book are suspensefully presented and very easy to follow for any reader regardless of their scientific basis and forensic procedure It s a fast moving book that most readers will find impossible to put down and be compelled to read to the end in one sitting Michael John Sullivan is the author os several award winning best selling books amongst them the Random House critically acclaimed A FATAL PASSION and the mystery to end all mysteries THE MURDER SCORE He lives in Southern California within view of the Pacific Ocean his favorite realm Elvis After Life Raymond A. Moody,1987 August 16 1977 It was like a shot heard round the world the tragic news that Elvis Presley had died Millions mourned the loss of Elvis as acutely as if grieving for a member of their own family or a dear friend Even now a decade later people who were never Elvis fans have flashbulb memories of where they were and what they were doing when they heard the news Why Dr Raymond Moody wanted to know when he began researching Elvis After Life did the news of a forty two year old rock n roll star s death in Memphis Tennessee have such a profound impact on millions of lives His subjects were diverse young and old truck drivers and psychologists ardent Elvis fans and those who had little interest in him but they all had one thing in common Each had a psychic experience involving Elvis Presley that changed their lives forever Dr Moody introduces readers to a middle aged police officer who finds his run away son using information conveyed to him in a dream by Elvis Presley To young parents who could accept their ten year old daughter s death because the spirit of Elvis was there to welcome her into heaven To a young divorcee terrified of being alone for the birth of her third child who finds comfort and joy in Elvis s presence in the delivery room These experiences plus numerous others happened to people that Dr Moody describes as functioning and psychologically normal people with little or no interest in the paranormal Not one of them ever questioned the reality of the experience they questioned only why Elvis chose to communicate with them Elvis After Life is a provocative book by a respected doctor and author a book that will linger in reader s minds just as the legend of Elvis Presley lives on in the American psyche front and back flaps *The Death of Elvis Presley - The Commercial Appeal (August 17, 1977)* Commercial Appeal Staff,1977-08 *The Death of Elvis Presley - The Commercial Appeal (August 17, 1977) and the Press-Scimitar Special Edition* Commercial Appeal Staff,1977-08 *American Myths, Legends, and Tall Tales* Christopher R.
