## **Death Resurrection:**

Jesus and the Demise of Death Matthew Levering, 2012 What happens after death to Jesus and to those who follow him Jesus and the Demise of Death offers a constructive theology that seeks to answer that very question carefully considering both Jesus descent into hell and eventual resurrection as integral parts of a robust vision of the Christian bodily resurrection Taking on the claims of N T Wright and Richard B Hays Matthew Levering draws strongly upon the work of Thomas Aquinas to propose a radical reconstruction of Christian eschatological theology one that takes seriously the profound ways in which Christianity and its beatific vision have been enriched by Platonic thought and emphasizes the role of the Church community in the passage from life to death In so doing Levering underscores the hope in eternal life for Jesus followers and gives readers firm and fruitful soil upon which to base conversations about the Christian s future

**Death and Resurrection** Dennis J. Horton, 2009-06-10 Dennis Horton highlights the shape and function of the death and resurrection motif by applying William Freedman's criteria of a literary motif to the Acts narrative By analyzing the

statements about death and resurrection together with the examples of this messianic pattern among the experiences of major and minor characters the motif becomes clear This central theme then becomes intensified through contrast with a secondary motif that of death and decay Death and Resurrection provides a clear example of a biblical motif and how it develops and functions within the narrative serving as a valuable guide for future studies of biblical motifs The work also supplies a needed balance between the extremes of past and present Lukan scholarship by considering the combined effect of suffering and renewed life within a single motif Both the statements and actions of the characters reveal the importance of the two elements for Lukan theology and soteriology The function of the motif derives from its usage within the narrative and proves insightful for gaining a better understanding of the aesthetic quality of the story while simultaneously showing how the narrator skillfully wields the motif to provide encouragement to the followers of The Way to issue a warning to would be persecutors and to deliver an evangelistic message to potential converts such as the God fearers The messianic pattern of death and resurrection becomes a heuristic tool that the narrator carefully applies to create a potent motif with a multifaceted message for a growing and often suffering Christian community *The Ministry of the Word, Vol. 28, No. 04* Witness Lee, 2024-05-16 This issue of The Ministry of the Word contains the last eight of the sixteen messages given during the fall 2023 term of the full time training in Anaheim California The general subject of this series of messages is The Crucial Points of the Truth in Paul s Epistles First Corinthians The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe and Israel [The Crucifixion of Jesus](#) Joseph Bergeron, 2018-10-17 This ground breaking work offers a unique apologetical argument for the validity of the Gospel accounts of Jesus death and resurrection Dr Bergeron s medical expertise allows him to examine the medical aspects of Jesus death and as well as the hallucination hypothesis which attempts to discount Jesus resurrection **THE ENCYCLOPEDIA OF CHRISTIAN APOLOGETICS** Edward D. stand firm in the truth and proclaim the gospel boldly **The Death of Death** Rabbi Neil Gillman, PhD, 2011-11-16 Does death end life or is it the passage from one stage of life to another In *The Death of Death* noted theologian Neil Gillman offers readers an original and compelling argument that Judaism a religion often thought to pay little attention to the afterlife not only presents us with rich ideas on this subject but delivers a deathblow to death itself Combining astute scholarship with keen historical theological and liturgical insights Gillman outlines the evolution of Jewish thought about bodily resurrection and spiritual immortality Beginning with the near silence of the Bible on the afterlife he traces the development of these two doctrines through Jewish history He also describes why today somewhat surprisingly more contemporary Jewish scholars including Gillman have unabashedly reaffirmed the notion of bodily resurrection In this innovative and personal synthesis Gillman creates a strikingly modern statement on resurrection and immortality *The Death of Death* gives new and fascinating life to an ancient debate This new work is an intellectual and spiritual milestone for all of us interested in the meaning of life as well as the meaning of death [Did Jesus Rise From the Dead?](#) Gary R. Miethe, 2003-12-04 This is the most important question regarding the claims of the Christian faith Certainly no question in modern religious history demands more attention or interest as witnessed by the vast body of literature dealing with the Resurrection James I Packer says it well in his response to this debate When Christians are asked to make good their claim that this scheme is truth they point to Jesus resurrection The Easter event so they affirm demonstrated Jesus deity validated his teaching attested to the completion of his work of atonement for sin confirms his present cosmic dominion and coming reappearance as Judge assures us that his personal pardon presence and power in people s lives today is fact and guarantees each believer s own reembodiment by Resurrection in the world to come The Apostle Paul considered the Resurrection to be the cornerstone of the Christian faith If Jesus did not rise from the dead the whole structure Christianity collapses Paul tells us in 1 Corinthians 15:14-17 And if Christ has not been raised our preaching is useless and so is your faith More than that we are then found to be false witnesses about God And if Christ has not been raised your faith is futile emphasis added The Christian faith and its claim to be Truth exists only if Jesus rose from the dead The heart of Christianity is a living Christ
