Button Gets Dressed ,1984 **A Gentleman Gets Dressed Up Revised and Expanded** John Bridges,Bryan Curtis,2012-01-02 A Gentleman Gets Dressed Up is not a book about style it is a book about the rules rules that will allow any man to feel more comfortable in the choices he makes about what he wears Let s get one thing straight Clothes do not make the man but they do make a difference And regardless of whether we like the idea of appearances driving impressions a man s exterior often is perceived as an indicator of what s happening on the interior Fortunately tasteful and appropriate dressing doesn t require inordinate amounts of time or money Any man can hit the door in fine shape with only a little forethought and a bit of attention to a few guidelines Never mind the heady cologne and designer labels With a navy blazer a good bar of soap and a regular haircut regimen he ll be well on his way to becoming the guy who knows exactly how to suit up regardless of the occasion Most important A Gentleman Gets Dressed Up illustrates how a man s natural confidence and personality are the best foundation for any wardrobe

Take me far far away Faster than a wink of an eye I pray To the land where the Darach roam To the land of the magical stones To the peoples of the mountain Forest bog hill and river Great Everything bring me thither This fantasy novel the second in the Darach Tales series continues the story of Golden a young girl from the prairies who found an amulet in her late grandfather s study and was magically transported back in time to a fantastical alternate version of Saskatchewan in the 1500s After finishing Grade 6 she heads back to the Darach kingdom to meet up with her dear friend and partner in adventure Button Golden is happy to be back enjoying tranquil days helping him on his farm but soon finds out that not all is well in the Darach realm There have been a series of vicious and bloody killings by an unknown assailant leaving the locals in a state of peril Left alone Golden is attacked by an enormous creature half man half beast She is protected by her amulet and survives Golden and Button are commissioned by the Great Prince to investigate the killings in the Hills clan territory along with their trusted companions Naed the Wise and Robert the Historian They must do whatever it takes to figure out what monster earthly or otherworldly is attacking and killing these innocent Darach citizens What s more the previous year s war with the Ivarians left many people struggling and destitute and Golden finds her heart breaking at the sight of the poor children on the streets of Raon and the surrounding villages So many great warriors died in the Great Battle and their estates now abandoned and in ruins previously provided food lodging and wages for dozens of families As a result many children had no place to go and were forced into the streets to look for work or beg for food At Button s suggestion Golden uses her sewing talents to help the poor and needy children in Raon and the neighbouring areas by sewing them tunics In the meantime new clues unfold about the deadly creature with help from Naed the Wise and his powers of deductive reasoning but none point to the origin of the unknown intruder The attacks continue all leads are followed but to no avail when Golden stumbles upon a mysterious blue bottle This mystical relic shows her things in the past and things to come including the

identity of the lethal aggressor Golden and her three friends jump into action to formulate a plan to kill the beast Inspired by theories about portals to other worlds and Saskatchewan s natural wonders such as the Mystery Rocks outside of Cypress Hills Interprovincial Park Karen began writing The Darach Tales series to highlight amazing places in the province The Deadly Intruder A Kingdom in Terror rich with gorgeous illustrations and Celtic mythology is an imaginative tale about the importance of friendship and doing good for others against the backdrop of a medieval setting **A to Zoo** Rebecca L.
