to look for giving her the chance good student," Kameot said.

of your labor." ■

NORSU has 4 flagship programs

By Ariel B. Dizon and Mary Grace G. Somales

Negros Oriental State University (NORSU) has four flagship programs with a validity of three years starting 2013 to 2016.

University President Don Vicente C. Real said the programs are Agriculture, Forestry, and Fishery courses; some selected engineering courses; Bachelor of Science in Geology and Bachelor of Science in Pharmacy.

These programs are chosen based on the results during board examinations, strong faculty line

up, linkages with multinational companies like KOMATSU in Japan, its expansion and linkages with some private agencies such as SYGENTA; East-West Seed Company; Allied Botanical Corporation; Fiber Industry Development Authority; Philippine Coconut Authority; Department of Environment and Natural Resources (DENR)-Region 7 and Agricultural Training Institute of the Department of Agricultural Reforms.

A flagship program intends to recognize a certain college or

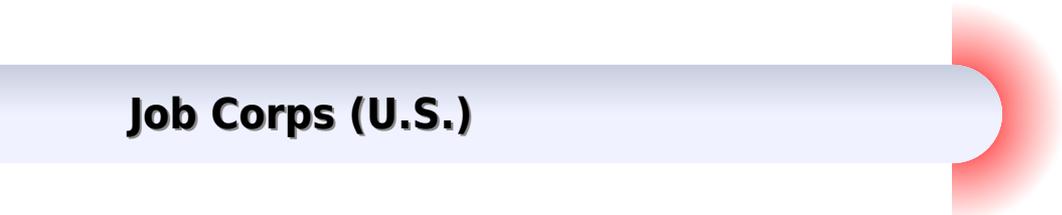

university for offering such courses. It aims at improving the quality of education of the programs offered in a university or a college.

Junior BS Pharmacy student Rey Locsin, said he is proud he belongs to one of the programs enlisted for a flagship. He said "Ma-develop pa jud wala ang course (BS Pharmacy) more particularly in the aspect of laboratory equipment.

Kirry Ho, a second year Psychology student said, "it's nice kay nasa natin ita pang hambog sa NORSU." ■
