**The Ultimate Interactive Basic Training Workbook** Michael Volkin, 2007 The Ultimate Interactive Basic Training Workbook is a comprehensive interactive guide crafted especially for today's computer savvy recruit. When used together with Volkin's original guidebook, the Workbook provides every recruit with the inside knowledge of basic training he/she needs to not only survive but thrive in the military. This remarkable **The Real Insider's Guide to Military Basic Training** Peter Thompson, 2003 This book is the one many people in the military do not want recruits to read. The guide contains extremely helpful hints and advice to help new enlistees during the rigors of military training. Most important, the information is free from biased interests because it is written by a recruit for a recruit. Although tailored toward the Army and Marines, any person enlisting in the Armed Forces will find the information exceedingly valuable. Even if a person is just thinking about the military, this book will help. The Ultimate Air Force Basic Training Guidebook Nicholas Van Wormer, 2010-11-15 A week-by-week guide to surviving boot camp includes interviews with recent graduates, recruiters, and instructors. Air Force basic training is challenging both mentally and physically. The Ultimate Guide to Air Force Basic Training shows you step-by-step how to survive and thrive in today's basic training program. Beginning with the recruiting process and taking you all the way through basic training graduation day, this book answers your questions and helps alleviate your fears and concerns as you enter this new and exciting period of your life. Senior Airman Nicholas Van Wormer's book is a fresh and updated insider's view of what you will encounter and how to perform in order to graduate at the top of your class. It also includes interviews with recent basic training graduates, recruiters, and even military training instructors to better provide you with the most detailed guide to Air Force basic training ever published. It also explains acronyms and terms, mistakes to avoid, the all-important ASVAB test, and even offers tips on what to bring with you. Whether you're getting ready to ship out to basic training or just looking into the different military options available to you, The Ultimate Guide to Air Force Basic Training is an invaluable tool that will help guide you through. Whether you are getting ready to ship out to basic training or just looking into the different military options available to you, The Ultimate Guide to Air Force Basic Training is an invaluable tool that will help guide you through an otherwise daunting and difficult process. *Basic: Surviving Boot Camp and Basic Training* Jack Jacobs, David Fisher, 2012-05-08 Presents a description of basic training in the American military, describing how the eight-week course imparts key physical, mental, and disciplinary skills to turn trainees into order-ready soldiers. Basic Training For Dummies Rod Powers, 2011-08-31 The easy way to prepare for basic training. Each year, thousands of young Americans attempt to enlist in the U.S. Armed Services. A number of factors during a soldier's training could inhibit successful enlistment, including mental toughness and physical fitness levels. Basic Training For Dummies covers the ins and outs of this initial process, preparing you for the challenges you'll face before you head off for basic training. You'll get detailed week-by-week information on what to expect in basic training for each branch of service, such as physical

MacKenzie,Gaylene S. Armstrong,2004-02-20 Boot camps have developed over the past two decades into a program that incorporates a military regimen to create a structured environment While some critics of this method of corrections suggest that the confrontational nature of the program is antithetical to treatment authors Doris Layton MacKenzie and Gaylene Styve Armstrong present research knowledge and personal discussions with community leaders that offer insight into both the strengths and weaknesses of this controversial form of corrections Correctional Boot Camps Military Basic Training or a Model for Corrections provides the most up to date assessment of the major perspectives and issues related to the current state of boot camps The book goes beyond cursory examinations of the effectiveness of boot camps presenting an in depth

view of a greater variety of issues Correctional Boot Camps examines empirical evidence on boot camps drawn from diverse sources including male female juvenile and adult programs from across the nation The book explores empirical research on both the punitive and rehabilitative components of the boot camp model and the effectiveness of the tough on crime aspects of the programs that are often thought of as punishment or retribution in lieu of a longer sentence in a traditional facility Thus offenders earn their way back to the general public more quickly because they have paid their debt to society by being punished in a short term but strict boot camp Correctional Boot Camps is a comprehensive textbook for undergraduate and graduate students studying corrections and juvenile justice The book is also a valuable resource for correctional professionals interacting with offenders
