## **Brigids Charge:**

**Brigid's Charge** Cynthia Lamb, 1997 Family history and fiction merge in this account of the origins of the Jersey Devil  
*Brigid the Celt and the Golden Princess* VN Lucy, **Brigid** Brian Wright, 2011-10-21 Brigid of Kildare Ireland is uniquely venerated as both a goddess and a saint throughout Ireland Europe and the USA Often referred to as Mary of the Gael and considered the second most important saint in Ireland after St Patrick her widespread popularity has led to the creation of more traditional activities than any other saint some of which survive to this day As a result of original historical and archaeological research Brian Wright provides a fascinating insight into this unique and mysterious figure This book uncovers for the first time when and by whom the goddess was conceived and evidence that St Brigid was a real person It also explains how she became a saint her historical links with the unification of Ireland under a High King in the first century and discusses in depth her first documented visit to England in AD 488 Today Brigid remains strongly connected with the fertility of crops animals and humans and is celebrated throughout the world via the continuation of customs ceremonies and relics with origins dating back to pre Christian times Using a combination of early Celtic history archaeology tradition and folklore from Ireland Britain and other countries this comprehensive study unravels the mystery of a goddess and saint previously complicated by the passage of time [The Book of St. Brigid](#) Colm Keane, Una O'Hagan, Feminist farmer abbess bishop and miracle worker St Brigid has inspired Irish women and men down through the ages She cared for the poor healed the sick and founded monastic settlements She became patron saint of revolutionaries and women fighting for their rights She is also credited with inventing the Rosary beads brewing ale and inspiring the first tiered wedding cake and Buy Irish campaign Pirate Queen Grace O Malley Lady Gregory and Maud Gonne MacBride regarded her as a guiding light All of them including Brigitte Bardot are featured in this book The book also describes her holy wells St Brigid s Crosses churches miracles and cures providing you with all you will ever need to know about this iconic saint **REVIEWS** An accessible easy breeze through Brigid s life *The Irish Times* A work of great scholarship but which is simultaneously a page turner It s a triumph Pat Kenny *Newstalk* Colm and Una are the only writers who can get me reading about the lives of the saints Brendan O Connor *RT Radio 1* Delightful reading *The Irish Catholic* The Book of St Brigid it s great *The Today Show* *RT TV* An incredible story of an incredible woman *Tipp FM* A masterpiece *LMFM* A fabulous read *Midwest Radio* I loved it from start to finish *Cork C103* **HM Revenue & Customs** Great Britain: Parliament: House of Commons: Committee of Public Accounts, 2012-08-29 In April 2010 the Department launched its renewed strategy to reduce the amount of tax lost each year due to alcohol duty evasion principally through fraud In 2010 11 the renewed strategy delivered 433 million in financial benefits against a target of 390 million However it is estimated that there is a tax gap the difference between taxes due and the amount actually collected of up to 1 2 billion The Department has not produced an estimate of the tax gap for wine despite a commitment to do so Without reliable information on the scale and nature of duty evasion for each category of

alcohol the Department cannot tailor its approach or make best use of the additional 917 million it plans to spend on reducing all kinds of tax avoidance and evasion The Department is consulting on a range of measures to reduce alcohol duty fraud including a proposal to introduce fiscal stamps for beer but does not yet have a full understanding of the costs and benefits of these proposals The Department also does not make best use of intelligence and technology to detect and prevent alcohol duty evasion and needs to work more closely with the industry to improve its understanding of legitimate export markets and improve how it works with the UK Border Force In addition the full capability of the Excise Movement Control System EMCS which facilitates the tracking of freight across the European Union and could be used to target interventions and investigations more effectively is not used

*Brigid of Kildare* Heather Terrell,2010-02-09 Rich in historical detail Heather Terrell s mesmerizing novel *Brigid of Kildare* is the story of the revolutionary Saint Brigid and the discovery of the oldest illuminated manuscript in the annals of the Church a manuscript that contains an astonishing secret history Fifth century Ireland Brigid is Ireland s first and only female priest and bishop Followers flock to her Kildare abbey and scriptorium Hearing accounts of Brigid s power the Church deems her a threat and sends Decius a Roman priest and scribe on a secret mission to collect proof of Brigid s heresy As Decius records the unorthodox practices of Brigid and her abbey he becomes intrigued by her When Brigid assigns Decius a holy task to create the most important and sacred manuscript ever made he finds himself at odds with his original mission and faces the most difficult decision of his life Modern day Alexandra Patterson an appraiser of medieval relics has been summoned to Kildare to examine a reliquary box believed to belong to Saint Brigid Hidden within the sacred box is the most beautiful illuminated manuscript Alex has ever seen But even more extraordinary is the contents of the manuscript s vellum pages which may have dire repercussions for the Catholic Church and could very well rewrite the origins of Christianity
