Spurr, 1924 A Guide to General Principles of Law in International Investment Arbitration Patrick Dumberry, 2020-04-20 In
recent years there has been a noticeable increase in references by investor State arbitral tribunals to general principles of
law as a source of law however these references have rarely been accompanied by detailed explanation This book aims to
provide the actors involved in investor State arbitration with a set of comprehensive guidelines to better understand the
nature meaning and function of general principles of law in the field of international investment law Applying these
principles to practice the book assesses seventeen concepts and notions in the field of investment arbitration to provide
counsel and arbitrators with clear guidance on what should and should not be considered a general principle of law **The**

A. Sobota, Center for International Legal Education (CILE) University of Pittsburgh School of Law, 2017-02-10 Article 38 of
the Statute of the International Court of Justice defines international law to include not only custom and convention between
States but also the general principles of law recognized by civilized nations within their municipal legal systems In 1953 Bin
Cheng wrote his seminal book on general principles identifying core legal principles common to various domestic legal
systems across the globe This monograph summarizes and analyzes the general principles of law and norms of international
due process with a particular focus on developments since Cheng s writing The aim is to collect and distill these principles
and norms in a single volume as a practical resource for international law jurists advocates and scholars The information

contained in this book holds considerable importance given the growth of inter state intercourse resulting in the increased use of general principles over the past 60 years General principles can serve as rules of decision whether in interpreting a treaty or contract determining causation or ascertaining unjust enrichment They also include a core set of procedural requirements that should be followed in any adjudicative system such as the right to impartiality and the prohibition on fraud Although the general principles are by definition basic and even rudimentary they hold vital importance for the rule of law in international relations They are meant not to define a rule of law but rather the rule of law Fundamental principles, advertising mediums Axel Petrus Johnson,1913 **The Fundamental Principles of Chemistry** Robert Galloway,1888
