Bluebird Sharon Cameron, 2021-10-05 Author of Reese's Book Club YA Pick *The Light in Hidden Places* Sharon Cameron delivers an emotionally gripping and utterly immersive thriller perfect for fans of Ruta Sepetys's *Salt to the Sea*. In 1946 Eva leaves behind the rubble of Berlin for the streets of New York City, stepping from the fiery aftermath of one war into another far colder one where power is more important than principles and lies are more plentiful than the truth. Eva holds the key to a deadly secret: Project Bluebird, a horrific experiment of the concentration camps capable of tipping the balance of world power. Both the Americans and the Soviets want Bluebird, and it is something that neither should ever be allowed to possess. But Eva hasn't come to America for secrets or power. She hasn't even come for a new life. She has come to America for one thing: justice. And the Nazi that has escaped its net. Critically acclaimed author of *The Light in Hidden Places*, Sharon Cameron weaves a taut and affecting thriller ripe with intrigue and romance in this alternately chilling and poignant portrait of the personal betrayals, terrifying injustices, and deadly secrets that seethe beneath the surface in the aftermath of World War II.

Artifice Sharon Cameron, 2023-11-07 A dramatic story of duplicity and resistance, betrayal and loyalty set against the backdrop of World War II by the #1 New York Times bestselling author of *The Light in Hidden Places*. Isa de Smit was raised in the vibrant, glittering world of her parents' small art gallery in Amsterdam, a hub of beauty, creativity, and expression until the Nazi occupation wiped the color from her city's palette. The degenerate art of the Gallery de Smit is confiscated; the artists are hiding or deported; her best friend, Truus, fled to join the shadowy Dutch resistance. And masterpiece by masterpiece the Nazis are buying and stealing her country's heritage, feeding the Third Reich's ravenous appetite for culture and art. So when the unpaid taxes threaten her beloved but empty gallery, Isa decides to make the Nazis pay. She sells them a fake, a Rembrandt copy drawn by her talented father, a sale that sets Isa perilously close to the second most hated class of people in Amsterdam: the collaborators. Isa sells her beautiful forgery to none other than Hitler himself, and on the way to the auction discovers that Truus is part of a resistance ring to smuggle Jewish babies out of Amsterdam. But Truus cannot save more children without money. A lot of money. And Isa thinks she knows how to get it. One more forgery, a copy of an exquisite Vermeer, and the Nazis will pay for the rescue of the very children they are trying to annihilate. To make the sale, though, Isa will need to learn the art of a master forger before the children can be deported and before she can be outed as a collaborator. And she finds an unlikely source to help her do it: the young Nazi soldier, a blackmailer and thief of Dutch art who now says he wants to desert the German army. Yet worth is not always seen from the surface, and a fake can be difficult to spot. Both in art and in people. Based on the true stories of Han Van Meegeren, a master art forger who sold fakes to Hermann Goering and Johann van Hulst, credited with saving 600 Jewish children from death in Amsterdam, Sharon Cameron weaves a gorgeously evocative thriller simmering with twists that looks for the forgotten color of beauty even in an ugly world. War, resistance, and art are Cameron's canvas; her palette is a balance of trust and perfidy, beauty and defiance, new life and old. *Artifice* is a vibrantly hued and

many layered story exploring our very human inability to spot a fake when we long to believe that the object of all our desire is the real thing Elizabeth Wein New York Times bestselling author of Code Name Verity Painterly prose filled with rich intrigue depicts constantly shifting issues of trust in this complex absorbing tale Publishers Weekly starred review

Butcher Joyce Carol Oates,2025-08-19 From one of our most accomplished storytellers an extraordinary and arresting novel about a women s asylum in the 19th century and a terrifying doctor who wants to change the world In this harrowing story based on authentic historical documents we follow the career of Dr Silas Weir The Father of Gyno Psychiatry as he ascends from professional anonymity to national renown Humiliated by a disastrous procedure Weir is forced to take a position at the New Jersey Asylum for Female Lunatics where he reigns There he is allowed to continue his practice unchecked for decades making a name for himself by focusing on women who have been neglected by the state women he subjects to the most grotesque modes of experimentation As he begins to establish himself as a pioneer of 19th century surgery Weir s ambition is fueled by his obsessive fascination with a young Irish indentured servant named Brigit who becomes not only Weir s primary experimental subject but also the agent of his destruction Narrated by Silas Weir s eldest son who has repudiated his father s brutal legacy Butcher is a unique blend of fiction and fact a nightmare voyage through the darkest regions of the American psyche conjoined in its startling conclusion with unexpected romance Once again Joyce Carol Oates has written a spellbinding novel confirming her position as one of our celebrated American visionaries of the imagination
