

THE BRITISH EDDA

L. A. WADDELL

The great Epic Poem of the Ancient Britons on the Exploits of King Thor, Arthur or Adam and his Knights in Establishing Civilization, Reforming Eden and Capturing The Holy Grail about 3380-3350 B.C.

The thrilling adventures and exploits of the heroes, both protagonist and antagonist, are no less full of dramatic pathos and passion, comedy and tragedy, courage and devotion, humour, grim and otherwise, sportsmanship and chivalry, melodrama and villainy, than in modern romantic fiction. And it has its heroines and its "love interests." It is a mighty "unshot film" of the greatest of all epochs in the heroic history of the old world, with its actors vividly portrayed as if in flesh and blood, and their melodramatic exploits moving as a pageant before our eyes.

British Edda
