Being In Light:

Let There Be Light Doug Irmen, 2021-05-21 The potentially catastrophic problems we face in the world today are the result of a massive spiritual failure Too many of us appear to have forgotten the real purpose we were born for in the first place which at its most basic level is to love and nurture ourselves and the earth But we re not really loving and nurturing when we cause the environment to decline and the climate to become inhospitable when we keep wasting money and resources by amassing petrifying weapons to fight horrific wars when we fail to take care of the weak and when we demonize each other with so much vitriol that nothing effective seems to get done We are out of control as a species Let There Be Light Saving Ourselves and Our Planet Through a Global Social Compact proposes that we tame the savageness of man by using the internet to adopt a universal Social Compact a grass roots spiritual and political movement that would operate as a Light Network to connect like minded people around the world in an urgent crusade to reverse the course their governments and societies have put them on Our Social Compact will funnel the core goodness we all have within us into a metaphorical ball of Light that beams out the conscience of mankind A conscience that says NO MORE to our current failure to get along and cooperate A conscience that will overwhelm our governments and societies with the message that NOW IS THE TIME for us to truly achieve the universal desire of mankind which is first of all to survive and then to come together to love and respect all life on earth The Light Network website www.lightnetwork.me is now under construction Although the Light Network will not be a formal legal entity its work will nonetheless be continuously felt throughout the world It will be a relentless force that tracks the issues that threaten our world and then shines its spiritual message onto the efforts that will be essential if we are to take back control of our destiny

Let There Be Light Masireh Sanyang, 2018-05-02 Let there be light is a revelatory Christian book it deals with enlightenment and fulfilment of one s purpose on the earth it emphasises the importance of spiritual enlightenment and the role Jesus Christ played in bringing mankind back to its creator LET THERE BE LIGHT reveals the hidden mysteries written in the pages of the bible and sheds light on the hidden reasons why mankind is going through so much suffering This book seeks to do away with ignorance and the grip the forces of darkness has on man It also seeks to empower man by showing him who he truly is the true intentions of God for him and the purpose of his existence it seeks to destroy the chains and bondage the enemy has put him under and to liberate him by revealing to him the mystery behind the sacrificial death of Jesus Christ and what that has accomplished for us all

Be Light Samuel Rodriguez, 2017-02-21 The Blueprint for Overcoming Darkness and Living in God s Light Our world unravels more each day It feels as if we re drowning in a sea churning with greed violence and lust As darkness advances hope dims Yet within that reality God gives us a profound mandate Be Light Light has always defined God and His followers At creation God spoke light into existence Jesus is the light of the world And we are born to absorb and then reflect God s light In Be Light Samuel Rodriguez described by Fox News and CNN as America s most influential Latino Evangelical leader provides a blueprint for

confronting darkness in every realm of our lives He issues a clarion call for individual believers and the church to rise up and once again be that bright city on a hill that doesn't simply expose the invading darkness but overcomes it with God's blazing light When we share the message of Jesus the candles of others are lit and more and more darkness is driven out of our world Our prayer is that this excellent book will inspire millions including you to Be Light Roma Downey producer and actress
