**Blue Eyes, Brown Eyes** Stephen G. Bloom, 2021-10-05 The never before told true story of Jane Elliott and the Blue Eyes Brown Eyes Experiment she made world famous using eye color to simulate racism The day after Martin Luther King Jr's assassination in 1968 Jane Elliott a schoolteacher in rural Iowa introduced to her all white third grade class a shocking experiment to demonstrate the scorching impact of racism Elliott separated students into two groups She instructed the brown eyed children to heckle and berate the blue eyed students even to start fights with them Without telling the children the experiment's purpose Elliott demonstrated how easy it was to create abhorrent racist behavior based on students eye color not skin color As a result Elliott would go on to appear on Johnny Carson's Tonight Show followed by a stormy White House conference The Oprah Winfrey Show and thousands of media events and diversity training sessions worldwide during which she employed the provocative experiment to induce racism Was the experiment benign Or was it a cruel self serving exercise in sadism Did it work Blue Eyes Brown

Eyes is a meticulously researched book that details for the first time Jane Elliott's jagged rise to stardom. It is an unflinching assessment of the incendiary experiment forever associated with Elliott even though she was not the first to try it out. *Blue Eyes Brown Eyes* offers an intimate portrait of the insular community where Elliott grew up and conducted the experiment on the town's children for more than a decade. The searing story is a cautionary tale that examines power and privilege in and out of the classroom. It also documents small town White America's reflex reaction to the Civil Rights Movement of the 1970s and 1980s as well as the subsequent meteoric rise of diversity training that flourishes today. All the while *Blue Eyes Brown Eyes* reveals the struggles that tormented a determined and righteous woman today referred to as the Mother of Diversity Training who was driven against all odds to succeed. **Children's Books in Print** R R Bowker Publishing, Bowker, 1999-12

*MotorBoating*, 1978-12 *Playthings*, 1928 **The Funny Things Kids Say Will Brighten Any Day** Grace Witwer Housholder, 1995-10 *Beyond Parochial Faith* Jeanette Blonigen Clancy, 2019-05-28 *Beyond Parochial Faith* A Catholic Confesses weaves the author's personal story of woundedness and healing with her spiritual evolution. While working through and growing from personal relationships Clancy wrestles with large questions of life's meaning. Her spiritual transformation allows no denial of God's existence but her rational mind cannot accept the Christian Father-Son myth. She moves from parochial faith to faith informed by science, world religions, and the arguments of atheists. Clancy denounces what she calls sexist God talk and espouses secular spirituality while also honoring Jesus and religious myths for being avenues to transcendence. *Beyond Parochial Faith* shows a deeply spiritual life independent of religion's dictates. Nones the Goddess sexual assault the MeToo movement and a gay priest play roles in this story. The author's questioning epitomizes Western spiritual evolution in the twenty-first century. *The Encyclopedia of Grandparenting* Rosemary Dalton, Peter Dalton, 1990
