

INTRODUCTION TO CRIMINAL JUSTICE

Chapter 1: Crime and Criminal Justice

What is criminal justice?

Criminal justice refers to the agencies that dispense justice and the process by which justice is carried out.

Crime and violence have been common since the nation was first formed

- Crime in the old west
- Crime in the cities
 - ✓ From the 1900 to 1935, the nation experienced a sustained increase in criminal activity
 - ✓ The crime problem has been evolving with the nation itself **Federal involvement.** The LEAA provided technical assistance and hundreds of millions of dollars in aid to state and local justice agencies between 1969 and 1982.

EvidenceBased Justice. Uses the scientific method to determine whether criminal justice programs reduce crime rates and offender recidivism (repeat an offense).

The contemporary criminal justice system.

Social control is a society's ability to control individual behavior in order to serve the best interests and welfare of the society as a whole Divided into three main components:

- Law and enforcement agencies
- Court system
- Correctional system

Scope of the system

The contemporary criminal justice system in the us is monumental in size In now costs federal, state, and local governments more than 260 billion dollars per year for civil and criminal justice

It is massive because it must process, treat, and care for millions of people
