Crime Victims In Context:

Crime Victims in Context Leslie W. Kennedy, Vincent Sacco, 1998 This is the most up to date and thought provoking undergraduate text on the controversial topic of victimology available It features a lively engaging writing style Designed for the American college and university market this book is groundbreaking in its integrated approach to the study of society s crime victims and the forces that influence their victimization This approach eases instruction by encouraging students to engage in critical thinking about victims helping students understand how victimization relates to the social context in which victims live Crime Victims in Context explores the following themes Ways in which the victim role is constructed in the media in public discourse and in political responses to crime This sets the stage for rethinking the meaning of victimization Approaching victimization as a social event the social exchanges or transactions between victim and offender An exploration of the aftermath of crime examining the effects of crime on the victim including the physical and socio emotional costs of victimization Responses by the criminal justice system in the adjudication of offender guilt as well as victim support groups Coverage includes both sides of such controversial issues as fear of crime victim blaming the abuse excuse white collar victimization and restorative justice The discussion of culture and the discussion of victims and victimization as moral stratification are innovative features of this text There is extensive treatment of victimization theories and a review of data collection procedures used in collecting information about victimization Numerous examples drawn from real life and recent research serve to illustrate points throughout the book Internet references are also included

Thinking About Victimization Jillian J. Turanovic, Travis C. Pratt, 2019-04-09 Bringing together cutting edge theory and research that bridges academic disciplines from criminology and criminal justice to developmental psychology sociology and political science Thinking About Victimization offers an authoritative comprehensive and refreshingly accessible overview of scholarship on the nature sources and consequences of victimization Written in a lively style with sharp storytelling and an appreciation of international research on victimization this book is rooted in a healthy respect for criminological history and the foundational works in victimization studies It provides a detailed account of how different data sources can influence our understanding of victimization of how the sources of victimization individual situational and contextual are complicated and varied and of how the consequences of victimization personal legal and political are just as complex This book also engages with contemporary issues such as cybervictimization intimate partner violence and sexual victimization prison violence and victimization and terrorism and state sponsored violence Thinking About Victimization is essential reading for advanced courses in victimization offered in criminology criminal justice sociology social work and public policy departments With its unapologetic reliance on theory and research combined with its easy readability undergraduate and graduate students alike will find much to learn in these pages

Reporting Crime: Effects of social context on the decision of victims to notify the police Heike Goudriaan, 2006

Crime and its Social Context Terance D. Miethe, Robert Frank Meier, 1994-01-01

Theories of criminality and theories of victimization have traditionally been discussed as though they bore no relationship to one another. Yet a complete explanation for crime must examine both the decision to engage in crime by an offender and the everyday actions of ordinary citizens that increase vulnerability to criminals. The integration of these approaches yields testable models that have greater predictive power than could be obtained by looking only at models of offenders or models of victim behavior. A more general perspective that accounts for both the decision to engage in crime and the selection of particular crime targets is developed and tested.

Crime Victims Andrew Karmen, 2012-05-08. A first in the field when initially published and now a true classic. *CRIME VICTIMS AN INTRODUCTION TO VICTIMOLOGY 8E International Edition* offers the most comprehensive and balanced exploration of victimology available today. The author examines the victims plight carefully placing statistics from the FBI's Uniform Crime Report and Bureau of Justice Statistics National Crime Victimization Survey in context. The text systematically investigates how victims are currently handled by the criminal justice system, analyzes the goals of the victims rights movement and discusses what the future is likely to hold. This Eighth edition expands coverage of human trafficking, crimes on campus, identity theft, stalking, motor vehicle theft, prison attacks and similar high profile issues.

Forensic Victimology Brent E. Turvey, 2023-07-21. *Forensic Victimology: Examining Violent Crimes in Investigative and Legal Contexts Third Edition* introduces criminologists and criminal investigators to the idea of systematically gathering and examining victim information for the purposes of addressing investigative and forensic issues. The book continues the legacy of the first two editions with both theoretical and applied coverage of the subject of victimology. The specific applications discussed remain investigative and provide legal venues designed to assist investigators and forensic examiners with the task of performing victimological assessments. Sections delve into the areas of femicide and mass shootings which are global problems that further emphasize related casework and research. Provides context and scope for both the investigative and forensic aspects of case examination and evidence interpretation. Approaches the study of victimology from a realistic standpoint moving away from stereotypes and archetypes. Includes case examples to demonstrate the application of forensic victimology.

Crime Victims and the Media John Joseph Breslin, 2003. *Crime and its Social Context* Terance D. Miethe, Robert F. Meier, 1994-07-01. Theories of criminality and theories of victimization have traditionally been discussed as though they bore no relationship to one another. Yet a complete explanation for crime must examine both the decision to engage in crime by an offender and the everyday actions of ordinary citizens that increase vulnerability to criminals. The integration of these approaches yields testable models that have greater predictive power than could be obtained by looking only at models of offenders or models of victim behavior. A more general perspective that accounts for both the decision to engage in crime and the selection of particular crime targets is developed and tested.

Crime, Victims and Policy D. Wilson, S. Ross, 2014-01-14. This book provides a critical examination of how recent international developments in victims theory and policy are experienced within specific local contexts. The chapters approach key criminological issues.

including the experience of criminal justice agencies policy formulation the construction of victim identities and the discovery of new victims

Restorative Justice in Context Elmar G. M. Weitekamp, Hans-Jürgen Kerner, 2003 Moves beyond a focus on restorative justice for juveniles to a broader concern with the application of restorative justice in such areas as corporate crime family violence and the application of restorative justice in cases of extreme violent crimes The contexts examined are drawn from Europe North America Australasia and Japan Back cover

Criminology & Penology Abstracts, 1980 An international abstracting service covering etiology of crime and juvenile delinquency the control and treatment of offenders criminal procedures and the administration of justice Abstracts of journal articles and monographs Covermaterial from psychiatric literature as well as from criminological sources

Victims, Crime and Society Pamela Davies, Peter Francis, Chris Greer, 2017-04-13 This book provides a thorough account of victimisation across the social spectrum of class race age and gender The second edition has been fully revised and expanded with two parts now spanning the key perspectives and issues in victimology Covering theoretical social and political contexts the book Includes new chapters on defining and constructing victims fear and vulnerability sexuality white collar crime and the implications of crime policy on victims Examines a global range of historical and theoretical perspectives in victimology and features a new chapter on researching victims of crime Reinforces your learning through critical thinking sections future research suggestions chapter summaries and a glossary of key terms Victims Crime and Society is the essential text for your studies in victimology across criminology criminal justice community safety youth justice and related areas

People v. Grant, 455 MICH 221 (1997), 1997 103165

Victimology in South Africa, 2005 The title is divided into three sections namely theory and policy practice and the future of victimology in South Africa

Victims of the System Robert Elias, 2017-07-28 This important new book on criminology is a major attempt to evaluate actual victim compensation programs as well as their political and economic contexts through the eyes of the victims themselves Elias traces the experiences of violent crime victims throughout the entire criminal justice process comparing New York s and New Jersey s victim compensation programs He shows how programs differ when compensation is viewed essentially as welfare and when it is viewed as a right The study uses extensive interviews with officials and with violent crime victims The study indicates victim compensation programs largely fail to achieve their stated goals of improving attitudes toward the criminal justice system and the government The programs produce poor attitudes toward government and criminal justice

People of the State of Illinois V. Bull, 1997

Critical Issues in Victimology Emilio Viano, 1992

Crime Victims Andrew Karmen, 1984 CRIME VICTIMS AN INTRODUCTION TO VICTIMOLOGY is a innovative and comprehensive guide that offers balanced coverage on this controversial subject A must have for anyone interested in this field

Texts and Contexts William S. Robinson, Stephanie Tucker, 1991 It is assumed in this text that if inexperienced writers are to learn to write essays they must begin as soon as possible The part of the writing process most central to their learning is the one involving the shaping of the text

Crime

and Criminology Sue Titus Reid, 2000 This text gives a broad context in which to study the history theories and responses to crime and criminology using a blend of both social science and research It includes legal case excerpts to demonstrate the role of the courts in the reformation of the criminal justice system
