## Being Me:

Being Myself Ramyaa K ,Maskoora S,2021-12-25 Being Myself is an anthology compiled by Ramyaa K Maskoora S under Unvoiced Heart Publication This books depicts the co authors own self and their self love Uniqueness comes from being us BEING MYSELF Here we have 60 co authors They bring out their own version of themselves "I'm Best at Being Me!" Heidi Angeline,2021-06-07 An uplifting rhyming tale about a little green frog who discovers that he is best at being no one but himself On the edge of a pond past the town and beyond sat a frog with a frown feeling terribly down A little green frog despairs as he compares himself with other animals but an enlightening conversation swiftly turns his frown upside down The story reminds us that we were lovingly made by God and should not compare ourselves with others but recognise that He made us special with our own gifts and abilities to use and enjoy Filled with colourful hand painted illustrations and singsong verse this picture book is bound to delight both young and old alike Being Me Being You Samuel Fleischacker,2019-10-23 Modern notions of empathy often celebrate its ability to bridge divides to unite humankind But how do we square this with the popular view that we can never truly comprehend the experience of being someone else In this book Samuel Fleischacker delves into the work of Adam Smith to draw out an understanding of empathy that respects both personal difference and shared humanity After laying out a range of meanings for the concept of empathy Fleischacker proposes that what Smith called sympathy is very much what we today consider empathy Smith s version has remarkable value as his empathy calls for entering into the perspective of another a uniquely human feat that connects people while still allowing them to define their own distinctive standpoints After discussing Smith s views in relation to more recent empirical and philosophical studies Fleischacker shows how turning back to Smith promises to enrich clarify and advance our current debates about the meaning and uses of empathy *Being Me* Kavya Chakraborty,2022-03-02 About The Author Kavya led an extraordinary life battling pain and depression the most painful being the loss of her father dear at an early age Social issues were close to her heart and she boldly voiced her views through poems and open mic events Her strong performances in street plays have brought honours for her school An exemplary speaker Kavya was regularly invited as a guest artist at college literary events
