**Morality in Evolution** Idella J. Gallagher, 2012-12-06 Les Deux Sources de la Morale et de la Religion is not a book to leave one indifferent Those who are persuaded by its argument or inspired by its message are prone to manifest the same enthusiasm as Georges Cattai who praised it as one of the greatest and wisest books conceived by philosophers Even those who take exception to the doctrine it expounds are impelled to acknowledge its significance It was in his critique of Les Deux Sources that Jacques Maritain was moved to call the philosophy of Henri Bergson one of the most daring and profound of our time When many years ago I opened Les Deux Sources for the first time I turned out of curiosity to the last page and beheld these words l univers est une machine it faire des dieux Bergson was an evolutionist but surely this was no ordinary evolutionist speaking I thought What must be the moral philosophy of a man who would write these words When much later I undertook the present study it was this same question which concerned me A Vision: The Revised 1937 Edition William Butler Yeats, 2015-05-19 A new annotated edition of Yeats s indispensable lifelong work of philosophy a meditation on the connections between the imagination history and the metaphysical this volume reveals the poet s greatest thoughts on the occult First published in 1925 and then substantially revised by the author in 1937 A Vision is a unique work of literary modernism and revelatory guide to Yeats s own poetry and thinking Indispensable to an understanding of the poet s late work and entrancing on its own merit the book presents the system of philosophy psychology history and the life of the soul that Yeats and his wife George received and created by means of mediumistic experiments from 1917 through the early 1920s Yeats obsessively revised the original book that he wrote in 1925 and the 1937 version is the definitive version of what Yeats wanted to say Now presented in a scholarly edition for the first time by Yeats scholars Margaret Mills Harper and Catherine E Paul the 1937 version of A Vision is an important essential literary resource and a must have for all serious readers of Yeats **The Essential Sangharakshita** Sangharakshita, 2024-11-26 The Essential Sangharakshita was first published by Wisdom Publications in 2009 It is an anthology arranged according to the pattern of a mandala drawn from Sangharakshita s writings It expresses the author s deep knowledge and love of the Buddhist tradition and of Western
