

KISS SOMEONE YOU LOVE WHEN YOU GET THIS AND MAKE MAGIC

This paper has been sent to you for good luck. The original copy is in New England. It has been around the world nine times. The luck has been sent to you. You will receive good luck within four days of receiving this letter provided you in turn send back out. This is no joke. You will receive it in the mail.

Send copies to people you think need good luck. Don't send money, as fate has no price. Do not keep this letter. It must leave your hands within 96 hours. An officer received \$70,000. Joe Elliot received \$40,000, and lost it because he broke the chain. While in the Phillipines, Gene Welch lost his wife 6 days after receiving this letter. However, before her death he received \$7,775.

Please send twenty (20)copies of the letter, and see what happens in four days. The chain comes from Venezuela, and was written by Saul Anthony de Croole ,a missionary from South America. Since the copy must make a tour of the world, you must make twenty copies, and send them to your friends and associates. After a few days you will get a surprise. This is true, even if you are not superstitious.

Do note the following: Constantine Dias received the chain in 1983. He asked his secretary to make twenty copies and send them out. Four days later, he won a lottery of 2 million dollars. Carlo Dodds, an office employee received this letter and forgot it had to leave his hands within 96 hours. He lost his job. Later, after finding the letter again, he mailed out the twenty copies. A few days later, he got a better job. Dean Fairchild received the letter and not believing, he threw it away. Nine days later he died.

REMEMBER: SEND NO MONEY. PLEASE DON'T IGNORE. IT WORKS.
