Chance Meeting:

The Invisible World Around You By The Time Traveler, 2017-07-09 Just because you can't see it doesn't mean it's not there. Charlie, answering the response to a friend's reaction as he told about Angels, Dimensions, and Laws of the Universe, the Aura, and Karma. That conversation started The Time Traveler on a more in-depth study of the Invisible World around him. It was the beginning of a new adventure in the Life of the Time Traveler as he searched for more about The Invisible World all around him. Think about it: what would you do if you could activate a power inside you that would change what you did not like about your life? If you could connect with someone just by walking by them, you could see things in the future or stop bad things from happening in your life. Charlie, The Time Traveler will give you enough about this invisible World around you to get you started on your search on how you can use these invisible powers to Create your own World. **The Time Traveler & The Laws of Oneness** Charlie, The Time Traveler, 2017-08-12 The Laws of Oneness THE LAWS OF THE UNIVERSE LAW OF NATURE THE SPIRITUAL LAWS WHAT ARE THEY HOW DO THEY WORK IN OUR LIVES What exactly are these Laws where did they come from and why do they affect everyone walking on the Planet Earth? If they are so important why haven't I heard about them and how they affect me? This is research and a series of short stories about three Laws that affect our lives every day and how they work being revealed in real life stories by The Time Traveler going back in Time Space. The stories begin in 2017 in a little town in South Florida. The Time Traveler is 85 years old moving around on a little three-wheel mobile scooter and he encounters a seriously ill man who is dying. As this person spoke to the Time Traveler in a flash the Brain/Mind of the Time Traveler took him back in Time Space to Chicago, Illinois in the year of 1959. The words spoken were "My Energy has left me." The Theosophic Messenger, 1912 **Living in a Magical World** Charlie, The Time Traveler, 2017-07-20 Can you imagine living in a World where things happen like magic? Imagine wanting a soul mate and one day they appear, you know them and they know you. You know you know. Like Magic. Imagine if you wanted to do a special thing the rest of your life and you were able to do it. Like Magic. Imagine if you had something in your life you wanted to change and you could change it just wanting to change it. Like Magic. Wow, I didn't know I could do that. There are Laws of the Universe that allow you to change the way things are now or to have things you really want to come to you like Magic. Charlie, The Time Traveler can guide you on the path to having things take place in your life like magic. **40 Short Stories We are Time Travelers** Charles E.
