decreed she and Richard be wed within a week Though charmed by his commanding presence and wooed by his heated kisses she would not could not give up her independence So she forms a plan to get the heir she needs without taking wedding vows Richard is just as stunned by the will s command Marriage hadn t been on his agenda but lately he d been feeling rather restless Perhaps taming the lady was just the challenge he needed But can he have the rights of the marriage bed without making any revealing promises of love
