General Rules

Learning disciplines Vampire rates Disciplines on a scale from one to five dots, just like other Traits. A character gains dots in a Discipline either at character creation or by purchasing them with experience points later. In order to spend experience points on this, a character usually needs to feed on the matching Resonance (VTM p. 226). To later learn a completely new Discipline

that is not one of their Clan Disciplines, the character also needs to taste the Blood of someone who possesses it.

Selecting Powers

Every time a character gains a dot in a Discipline they choose one power from among the listed, either from their new Discipline level or below. Vampire characters normally have an equal number of dots and powers in a Discipline - no more, no less.

EXAMPLE:

At character creation, Martha has gained two dots of Fortitude. With the first dot she can choose either of the level one powers, picking Resilience. At the second dot she can choose either Unwayable Mind (the second level 1 power) or Toughness, the level 2 power. She picks Unwayable Mind. When she later gains her third dot, she can pick either Toughness or any on the level three powers: Defy Bane or Fortify the Inner Façade.

Note that she cannot pick the amalgam power Enduring Beasts at any level, as she lacks the prerequisite of one dot in Anamalism.

Using Powers

Unless otherwise stated, a vampire can activate a Discipline at any time; this takes little time or overt action. Powers do not usually activate retroactively, they respond to, rather than interrupt, actions taken against the user. A vampire can activate one Discipline power per turn. Any number of powers can be active simultaneously.

Vampires add dice equal to half their Blood Potency (rounded down) to their dice pools to use or resist Disciplines (see Blood Potency, VTM p. 215). General rules for specific Disciplines appear in the Characteristics section of each Discipline.
