Devolution In Britain Today:

Devolution in Britain Today Russell Deacon, 2006 Devolution in Britain Today provides a comprehensive analysis of both the historical development and the current state of devolved government Devolution is now a key element in A level syllabuses and on most undergraduate politics courses This book is written in a clear and accessible style for students either encountering devolution for the first time or for those who need to explore the subject area in greater detail All of the devolved bodies in England Northern Ireland Scotland and Wales are examined This book is a thorough update of the first edition written by Colin Pilkington and published by MUP in 2002

Exploring British Politics Mark Garnett, Philip Lynch, 2014-06-03 Concise comprehensive and accessible Exploring British Politics presents an insightful approach to British politics with a special emphasis on developments since the 2010 general election and the formation of Britain's first coalition government since 1945 Designed to stimulate critical analysis and provoke lively debate it provides new perspectives on two key themes the health of British democracy and the transition from traditional models of government to more flexible forms of governance

Politics UK Bill Jones, Philip Norton, 2014-06-20 The revised and updated eighth edition of the bestselling textbook Politics UK is an indispensable introduction to British politics It provides a thorough and accessible overview of the institutions and processes of British government a good grounding in British political history and an incisive introduction to the issues facing Britain today With contributed chapters from respected scholars in the field and contemporary articles on real world politics from well known political commentators this textbook is an essential guide for students of British politics The eighth edition welcomes brand new material from eight new contributors to complement the rigorously updated and highly valued chapters retained from the previous edition The eighth edition includes Britain in context boxes offering contrasting international perspectives of themes in British politics A comprehensive who's who of politics in the form of Profile boxes featuring key political figures And another thing pieces short articles written by distinguished commentators including Jonathan Powell Michael Moran and Mark Garnett Fully updated chapters plus new material providing excellent coverage of contemporary political events including The Leveson Inquiry the aftermath of the 2011 riots and the House of Lords reform A vibrant and accessible new design to excite and engage students as they work through a variety of political topics A new epilogue to the book offering a critical perspective of the trials and tribulations of the Coalition Government including an overview of the major differences that divide the coalition partners

The Oxford Handbook of British Politics Matthew Flinders, 2009-07-16 The Oxford Handbook of British Politics provides the most sophisticated and up to date analysis of British politics to date Essential for all those working in the area

Thinking Northern Christoph Ehland, 2007 Thinking Northern offers new approaches to the processes of identity formation which are taking place in the diverse fields of cultural economic and social activity in contemporary Britain The essays collected in this volume discuss the changing physiognomy of Northern England and provide a mosaic of recent thought and new critical thinking about the

textures of regional identity in Britain Looking at the historical origin of Northern identities and at current attitudes to them the book explores the way received mental images about the North are re deployed and re contained in the ever changing socio cultural set up of society in Northern England The contributors address representation of Northernness in such diverse fields as the music scene multicultural spaces the heritage industries new architecture the arts literature and film

British Politics Today Bill Jones, Dennis Kavanagh, 1998 This study analyzes and interprets the changing mosaic of British political life in Britain since the 1970s including Tony Blair s victory and the reasons for New Labour s success Each chapter has been revised and updated for this sixth edition and a new chapter on opinion polls is included

The Governance of England Sidney Low, 1910 **The Governance of England** Sir Sidney Low, 1922 **Debates in British Politics Today** Lynton J. Robins, Bill Jones, 2000 This text examines a range of current debates in British politics Issues covered include do we still need the monarchy Is the mass media the enemy of democracy Is politics still class based The environment our world in danger or Green scaremongering The Liberal Magazine , 1920 **The Civil Service in Britain Today** Colin Pilkington, 1999 This book provides an up to date look at the British Home Civil Service Written in a clear and accessible style the book considers the Civil Service at the end of the period of reform that began in the 1980s and asks vital questions concerning the degree of politicization of the Civil Service that there has been during the Next Steps and other reform programs The author considers the part played by civil servants in the devolution of government and also describes the heavy commitment to Europe questioning the extent to which a unified service has been replaced by a federal structure
