Dempsey, 2001-01-25 Kerala Christian Sainthood is an ethnography based study that celebrates the multi vocal function of saints Drawing on pilgrim anecdotes shrine practices official hagiographies and regional lore author Corinne Dempsey demonstrates how the business of saints routinely extends beyond their capacity as earthly conduits of miraculous power

Saintly characters described in this book hailing from the religiously pluralistic south Indian state of Kerala tend not only to the health and happiness of individual devotees but help craft and express the multiple identities and complex power relations of their devotional communities as well. Throughout the study Dempsey highlights the traditions of Sr Alphonsa of Bharananganam 1910-1946 and St George the martyr, two figures who reflect the many preoccupations of Kerala sainthood. Sr Alphonsa, native of Kerala and famous for her life of suffering and posthumous power, stands in line to be canonized by the Vatican. St George the caped dragon slayer, imported to Kerala by Syrian merchants and later by Portuguese and British colonizers, is today partially debunked by Rome. These two figures, while differing dramatically in temperament, nationality, age of cult, and Vatican standing, boast a vast popular appeal in Kerala's Kottayam district. In examining Sr Alphonsa and St George, Dempsey shows how Kerala's saint traditions reflect devotees' hybrid identities in both colonial and postcolonial times. This ethnography of Christian sainthood within a Hindu cultural context of foreign traditions adopted by native practice and of female sanctity negotiated through patriarchal expectation is poised at a number of intersections. Dempsey provides not only a comparative study of cultures, religions, and worldviews but also a unique grounding for contemporary ethnographic, postcolonial, and feminist concerns.

Women in India Sita Anantha Raman, 2009-06-08

Are Indian women powerful mother goddesses or domestic handmaidens trailing behind men in literacy, wages, opportunities, and rights? Have they been agents of their own destinies or voiceless victims of patriarchy? Behind these colorful oversimplifications lies the reality of many feminine personas belonging to various classes, ethnicities, religions, and castes. This two-volume set looks at Indian history from ancient to modern times, revealing precisely why ideas of gender rights were not static across eras or regions. Raman's work is a reflection on the various ways in which women in a non-Western culture have developed and expressed their own feminist agenda. Are Indian women powerful mother goddesses or domestic handmaidens trailing behind men in literacy, wages, opportunities, and rights? Have they been agents of their own destinies or voiceless victims of patriarchy? Behind these colorful oversimplifications lies the reality of many feminine personas belonging to various classes, ethnicities, religions, and castes. This two-volume set looks at Indian history from ancient to modern times, revealing precisely why ideas of gender rights were not static across eras or regions. Raman's work is a reflection on the various ways in which women in a non-western culture have developed and expressed their own feminist agenda. Individual chapters highlight the enduring legacies of many important male and female figures, illustrating how each played a key role in modifying the substance of women's lives. Political movements are examined as well, such as the nationalist reform movement of 1947 in which the ideal of Indian womanhood became central to the nation and the push for independence. Also included is a survey of women in contemporary India and the role they played in the resurgence of militant Hindu nationalism. Aside from being an engaging and readable narrative of Indian history, this set integrates women's issues, roles, and achievements into the general study of

the times providing a clear presentation of the social cultural religious political and economic realities that have helped shape the identity of Indian women *Edge AI for Industry 5.0 and Healthcare 5.0 Applications* Pethuru Raj,B.
