The Devil Wears Pinstripes Jim Caple, 2005 In *The Devil Wears Pinstripes* Jim Caple ESPN.com's designated Yankee hater takes on the rabid fans of baseball's twenty-six time World Champions and offers a decidedly different slant on the New York Yankees the losers of thirteen World Series Caple delivers his send-up of the evil empire with scathing irony laying waste to all things Yankees A creative and unauthorized timeline pokes fun at the organization's trades its legendary vanity and its near-lethal stadium food He skewers the owners coaches and players from the target of all targets George Steinbrenner to the pinstriped icons in the House That Ruth Built Heroes and lesser mortals appear in all their tarnished glory whether they're participating in a World Series shutout in drunken brawls at strip joints or engaging in the notorious wife-swapping incident of the 1970s Die-hard Yankee haters and the fans of all other baseball teams are sure to appreciate this hilariously provocative diatribe *Confessions of a City Girl* Suzana S., 2010 This is the story of City Girl The book exposes the macho madness that has destroyed banks and ruined so many lives It tells how City Girl was watching when all the boys thought they were masters of the universe *Wrecking Crew* John Albert, 2007-11-01 The unlikely story of a group of former punk musicians drug addicts and Hollywood dropouts who put their lives back together by forming a baseball team You never know what's going to save you After years of dingy nightclubs and drug addiction John Albert and his hard-luck friends certainly never expected their salvation to arrive in the form of a pastime most often associated with Mom God and apple pie *Wrecking Crew* a highly unusual chronicle of recovery and redemption documents the transformation of a group of musicians struggling screenwriters and wannabe actors into a competitive band of hardballers For over a decade it seemed to be enough the narcotics gambling whores and aimless rebellion But as they stumbled into their thirties the blithe pursuit of self-destruction had simply become exhausting to these battle-scarred denizens of the L.A. counterculture The romantic squalor of being perpetually broken down periodically drug-addled and irresponsible began to lose its charm The idea of fielding a baseball team to compete in a hard-knocks amateur league seemed merely the latest in a string of half-hearted stabs at restoring order to their ragged lives But this escapade was different When these men donned their team uniforms the old obsessions started to fade and something incredible began to happen This is the unforgettable story of the Griffith Park Pirates *Best Boston Sports Arguments* Jim Caple, Steve Buckley, 2006 Every Boston fan knows that the only thing better than watching sports is arguing about them picking the best the worst and who will come out on top And no city tears its sports teams apart like we do in Beantown Veteran Boston sportswriters Steve Buckley and Jim Caple take you inside the 100 best debates in Boston sports Covering the Red Sox Celtics Patriots Bruins and beyond every question you want to debate is here as well as a few surprises Arguments include Who was the greatest Boston athlete ever Russell Bird or Brady Boston Football town or baseball town Was freezing Ted Williams really all that crazy The greatest clutch performer in Bruins history Was it Orr or was it Which Yankees loss was more painful Dent or Boone Who was better Ted or DiMaggio
