will go through the successful registration process on Upwork step by step to pass the Upwork's rigorous vetting process using a real case study of a young man from Southeast Europe whose original application was rejected only a week earlier. We are following him to his very first job on the platform and the first top rating. You'll see the entire process and confirm with your own eyes that the cover letter template provided in this guide lands a contract within days following the successful registration on the world's biggest freelancing platform even in its raw form. You will see how top-rated veteran freelancers are choosing jobs and how they are writing professional cover letters/proposals that win contracts in 75% of the cases consistently over the past 5 years. We are using screenshots of the real-life examples and active practices exclusively. You will gain all the necessary knowledge to organize your work from home business routine. In the end, you will be making as much money as you wish from the comfort of your home without a boss. There's also a list of useful links necessary to start your future freelancing career. Cool, innit? As freelancers, we work whenever we want and how much we want, we take breaks and vacations whenever we feel like it, and make as much money as we want. All from the comfort of our homes. That's the reality of the modern professional freelancing. It's the world in which YOU have the first and last word. If you have the thing and passion for writing blogs, academic works, books, and tutorials, graphic and web design, frontend/backend web development, illustrations, sales, and marketing, web and mobile software development, or if you want to make money as a virtual assistant for the world's renowned brands, freelancing is the career for you. If you can't get a job or perhaps you are working but you wanna cry every time you see the paycheck and on top of that, the debt is breaking through the roof due to the unpaid student loan, utility bills, and rent, freelancing is the best solution. You will even see how to open a single international bank account from your chair to charge your clients in USD, EUR, GBP, AUD, or YEN without incurring those excessive bloodsucking fees. If your master's degree is in the pocket but you can't see a profitable and appealing job opportunity with Hubble, freelancing is definitely a far better solution than agreeing to something crappy, insulting, and probably miserable. Get up when you want, start working when it clicks, take a break when you feel like it, and work from any place on this planet you prefer while earning as much as you want.
