Corrections An Issues Approach:

Corrections, an Issues Approach Lawrence F. Travis, Martin D. Schwartz, Todd R. Clear, 1992 **Corrections** Martin D. Schwartz, Lawrence F. Travis, Todd R. Clear, 1980 *Sentencing & Corrections, Issues For The 21ST Century, Reconsidering Indeterminate And Structured Sentencing, Research In Brief, No. 2, September 1999*, 1999 *Federal Probation*, 1983

Corrections in Canada John W. Ekstedt, Curt T. Griffiths, 2013-10-22 *Corrections in Canada Policy and Practice* Second Edition examines the Canadian correctional policy and practice The book is comprised of 11 chapters that tackle a specific area of concern The first chapter provides an introductory discourse about the Canadian correctional system The next chapter discusses the history of Canadian Correction Chapter 3 covers the Canadian correctional enterprise and Chapter 4 talks about policymaking in Canadian corrections The book also tackles correctional planning and deals with the structures of management and administration in corrections The correctional treatment programs and the delivery of correctional treatment are also explained The book then covers the community based corrections The last two chapters discuss correctional reform and the future of correction in Canada The book will be of use to individuals interested in the Canadian correctional system as well as to those involved in the development of any correctional systems **Corrections: A Text/Reader** Mary K. Stohr, Anthony Walsh, Craig Hemmens, 2012-03-20 *Corrections A Text Reader* Second Edition is designed for undergraduate and or graduate corrections courses Organized like a traditional corrections text it offers brief authored introductions in a mini chapter format for each key Section followed by carefully selected and edited original articles by leading scholars This hybrid format ensuring coverage of important material while emphasizing the significance of contemporary research offers an excellent alternative which recognizes the impact and importance of new directions and policy in this field and how these advances are determined by research *Corrections* Jeanne B. Stinchcomb, 2005

Canadian Corrections Curt Taylor Griffiths, 2003 *Canadian Corrections* offers a comprehensive introduction to correctional practices in Canada This user friendly text combines description analysis of critical issues current research and case students to teach students the inner workings of the Canadian correction system The second edition includes all current research findings and up to date statistical material as well as new information on trends in Canadian corrections the challenges of probation in the 21st century and the privatization of corrections in Canada American Corrections Todd R. Clear, George F. Cole, 1986 Todd R Clear one of the country s leading experts in the study of corrections and George F Cole considered by many as the founding father of modern criminal justice study have combined talents once again for the new Sixth Edition of their market leading AMERICAN CORRECTIONS A great author team Clear s expertise in corrections complements Cole s organizational view of the system Together they present a well rounded balanced approach to corrections Clear and Cole takes a sociological and humanistic approach to corrections It treats institutional and alternative sanctions in a balanced fashion and offers a look at the system from the perspective of both the corrections worker and the

offender It also presents the concept of corrections as a system of interconnected organizations and carries this theme throughout the book While this approach appeals to both sociologists and criminal justice types alike it is particularly appealing to a growing portion of the market the professors with sociological backgrounds who are now teaching the introduction to corrections course From a more practical standpoint many find this text appealing because it provides comprehensive thorough coverage without being overwhelming At 22 chapters and 560 pages it is very compatible with standard semester long courses Such effective compatibility continues in the Sixth Edition with a new visually engaging four color interior design
