Copper Moon:

Sleigh Bells Ring Katherine Stone, 2025-04-11 The Stone magic makes these books such a pleasure to read and share. Rendezvous Her characters live with the shadows over their lives and make the best of them honorably courageously and generously. We can be happier for knowing these people in the short run and better for knowing them in the long run. Reviewer's Choice Reviews. A splash of suspense, a dash of Christmas magic and a sleighful of love. A ghost of Christmas past makes the holidays a difficult time for homicide lieutenant Nicholas Hunter. It was just days before a long ago Christmas that Nick's dangerously unbalanced mother disappeared with his four-year-old brother, the brother that the then eight-year-old Nicholas had vowed always to protect. Thirty years later, Nick continues his unrelenting search for the brother he lost and now, once again at Christmastime, a psychopath is forcing women from Nick's past to publicly humiliate themselves in an effort to destroy their careers and draw Nick into a life or death game of catch me if you can. It is against this dramatic backdrop that Nick, who has always believed that there is no place for love in his deeply scarred heart, meets Claire. Claire was an innocent sixteen-year-old when she became the victim of an apparent hit and run accident. The life-threatening head injury she suffered imparted an extraordinary gift but also left her with an intense foreboding of imminent personal harm so terrifying that she felt compelled to flee the city she loved. Now fifteen years later, Claire returns to Seattle intent on unmasking and conquering that enigmatic fear, only to discover that its cause is very real. At a tender age, Allison Prentice comes to the devastating conclusion that she is simply the wrong child for her wildly successful perfectionist parents. No matter how hard she strives to meet their unbounded expectations, her parents' approval remains an elusive dream. Even her brilliant academic achievements receive faint praise. For the shy, unhappy Allison, the solution is escape, as a child into her own private world, then as soon as she graduates from high school, from the city in which she grew up. When Allison finally returns to Seattle, it is as a superstar intellectual property litigator. She is just beginning to find happiness and love with a man named Lucas when the psychopath chooses her as his next pawn. *Consider the Lilies* Terry Hickey

Abercrombie, 2011-11-21 In *Consider the Lilies*, author Terry Hickey Abercrombie presents a heartwarming collection of stories and poems for her high school friend General Wayne Downing, her dad D. H. Hickey, and her large family, including six grandchildren. Her family and friends have provided much of the inspiration for this collection. In these personal stories of triumph over loss and of joy in the simple moments of life, she captures the true emotion and loving Christian spirit of the holidays. From the turkey she won but decided was designated for a higher purpose to the hug and kiss she received from her son on Christmas, she shares spiritual as well as emotional insights in each of her stories and poems. *Consider the Lilies* offers an inspiring glimpse into a life well lived. Waiting for the Sunshine. Oh, it's so cold, dark, and dreary. When I go out, I feel weary. The sun won't shine just for a while. Just to see it could make me smile. Windows are iced up, as can be. Cars won't start even jauntily. Everyone's sick with colds and flu. Sub-zero weather makes me blue. I can't wait till the sun comes out. It will warm
