Corporate Messiah:

Corporate Messiah Patricia O'Toole, 1984 *Corporate Messiah* Patricia O'Toole, 1985 *Corporate Messiah* Angelo Spadoni, 2014 From Kirkus Reviews An ambitious complex rewrite of the ground rules of science and religion In the tradition of Og Mandino and Dan Millman Spadoni uses a fantasy narrative to put across a revised concept of life A Science Fiction Story but the Science is Real and Disruptive Manta has a gift Blessed with the ability to see things before they happen he s led a selfish life by enriching himself overlooking the greater good However when a religious awakening drives him to do what s right he ll finally explore the feeling that he s had all along his life is meant for a greater purpose With inspired scientific knowledge and the world on the brink of obliteration Manta sets out to solve the world s energy and environmental crisis once and for all He discovers that E does not necessarily equal mc and the solution to our energy crisis could be right under our noses *Corporate Messiah* The Fundamental Nature of the Universe is a new science based fiction novel that shows us what good things can happen to the world if we are willing to accept change and act responsibly *God-Walk* Frederick Herzog, 2008-07-01 Challenging and disturbing and ultimately healing Robert McAfee Brown author of Liberation Theology An Introductory Guide Frederick Herzog was Professor at the Duke University Divinity School He served on numerous commissions of the World Council of Churches and the United Church of Christ In the spring of 1970 he wrote the first North American article on liberation theology and in 1972 his Liberation Theology was published a study of the Fourth Gospel described by Robert McAfee Brown as a pioneer North American work In Justice Church Herzog continues his pioneering work with a North American methodology of liberation theology *Revival: Ten Essays on Zionism and Judaism (1922)* Achad Ha-am, 2018-03-29 The present volume of translations from the Hebrew of Achad Ha Am differs in character from the volume of Selected Essays published in 1912 by the Jewish Publication Society of America The earlier selection was confined by the express desire of the publishing Society to essays dealing with the broader aspects of Judaism and Jewish thought essays of a more polemical character in which the author has defined his attitude to the modern Jewish national movement were designedly omitted Of the then further essays included in the present selection only two belong to the former category and these have been placed out of their chronological order at the end The other eight essays all deal with one aspect or another of Zionism and they form a series which will enable the English reader who is interested in the Zionist movement to follow its history under the guidance of one who is at the same time among its staunchest pillars and its most unsparing critics *Introduction to Messianic Judaism* Zondervan, 2013-02-05 This book is the go to source for introductory information on Messianic Judaism Editors David Rudolph and Joel Willitts have assembled a thorough examination of the ecclesial context and biblical foundations of the diverse Messianic Jewish movement Unique among similar works in its Jew Gentile partnership this book brings together a team of respected Messianic Jewish and Gentile Christian scholars including Mark Kinzer Richard Bauckham Markus Bockmuehl Craig Keener Darrell Bock Scott Hafemann Daniel Harrington R Kendall

Soulen Douglas Harink and others Opening essays written by Messianic Jewish scholars and synagogue leaders provide a window into the on the ground reality of the Messianic Jewish community and reveal the challenges questions and issues with which Messianic Jews grapple The following predominantly Gentile Christian discussion explores a number of biblical and theological issues that inform our understanding of the Messianic Jewish ecclesial context Here is a balanced and accessible introduction to the diverse Messianic Jewish movement that both Gentile Christian and Messianic Jewish readers will find informative and fascinating

The Public Company Transformed Brian Cheffins,2018-09-28 For decades the public company has played a dominant role in the American economy Since the middle of the 20th century the nature of the public company has changed considerably The transformation has been a fascinating one marked by scandals political controversy wide swings in investor and public sentiment mismanagement entrepreneurial verve noisy corporate raiders and various other larger than life personalities Nevertheless amidst a voluminous literature on corporations a systematic historical analysis of the changes that have occurred is lacking The Public Company Transformed correspondingly analyzes how the public company has been recast from the mid 20th century through to the present day with particular emphasis on senior corporate executives and the constraints affecting the choices available to them The chronological point of departure is the managerial capitalism era which prevailed in large American corporations following World War II The book explores managerial capitalism s rise its 1950s and 1960s heyday and its fall in the 1970s and 1980s It describes the American public companies and executives that enjoyed prosperity during the 1990s and the reversal of fortunes in the 2000s precipitated by corporate scandals and the financial crisis of 2008 The book also considers the regulation of public companies in detail and discusses developments in shareholder activism company boards chief executives and concerns about oligopoly The volume concludes by offering conjectures on the future of the public corporation and suggests that predictions of the demise of the public company have been exaggerated

Salvation Is from the Jews Roy H. Schoeman,2019-04-15 The book traces the role of Judaism and the Jewish people in God s plan for the salvation of mankind from Abraham through the Second Coming as revealed by the Catholic faith and by a thoughtful examination of history It will give Christians a deeper understanding of Judaism both as a religion in itself and as a central component of Christian salvation To Jews it reveals the incomprehensible importance nobility and glory that Judaism most truly has It examines the unique and central role Judaism plays in the destiny of the world It documents that throughout history attacks on Jews and Judaism have been rooted not in Christianity but in the most anti Christian of forces Areas addressed include the Messianic prophecies in Jewish scripture the anti Christian roots of Nazi anti Semitism the links between Nazism and Arab anti Semitism the theological insights of major Jewish converts and the role of the Jews in the Second Coming Perplexed by controversies new and old about the destiny of the Jewish people Read this book by a Jew who became a Catholic for a well written provocative ground breaking account Some of the answers most have never heard before Ronda Chervin Ph D Hebrew Catholic

Ten Essays on Zionism and

Judaism Aḥad Ha'am,1922 The Church That Is Left Behind Kobus Swart,2008-11 A significant pillar of twentieth century dispensationalism is the postponement doctrine of the kingdom of God This indiscriminate futurism has caused great damage and robbed the gospel of its power in the lives of believers for years John the Baptist and Jesus both clearly identified the kingdom with the era of the Holy Spirit At no time anywhere in Scripture was the coming of the kingdom made conditional on a Jewish response or event What more effective strategy could the enemy use than to have Christians believe they should be in passive waiting mode Has our failure to proclaim a full and accurate gospel of the kingdom left nations untouched still plagued by disease famine and corruption despite decades of evangelism An eschatology of victory awaits a victorious church that engages with the Holy Spirit in this present apostolic season Creation has been waiting in eager expectation for the manifestation of the sons of God What are the sons waiting for Are you ready to respond In this book Kobus Swart resolutely confronts the erroneous doctrinal stronghold of eschatology For centuries the church has been imprisoned and restrained in fulfilling its governmental mandate because of inaccurate interpretations of the end times This is an invaluable resource in identifying and unveiling deceptive eschatological ideologies and presenting a more accurate understanding of the end of the age Thamo Naidoo River of Life Ministries Pietermaritzburg South Africa Kobus Swart has been in full time ministry since 1974 and is the founder of the Bizweni Community Church in Somerset West near Cape Town South Africa where he and his family live From this apostolic resource base he leads a ministry team serving believers both locally and in other nations
