Clandestine In Chile:

Clandestine in Chile Gabriel García Márquez,2010-07-06 In 1973 the film director Miguel Littín fled Chile after a U S supported military coup toppled the democratically elected socialist government of Salvador Allende The new dictator General Augusto Pinochet instituted a reign of terror and turned Chile into a laboratory to test the poisonous prescriptions of the American economist Milton Friedman In 1985 Littín returned to Chile disguised as a Uruguayan businessman He was desperate to see the homeland he had been exiled from for so many years he also meant to pull off a very tricky stunt with the help of three film crews from three different countries each supposedly busy making a movie to promote tourism he would secretly put together a film that would tell the truth about Pinochet's benighted Chile a film that would capture the world's attention while landing the general and his secret police with a very visible black eye Afterwards the great novelist Gabriel García Márquez sat down with Littín to hear the story of his escapade with all its scary comic and not a little surreal ups and downs Then applying the same unequalled gifts that had already gained him a Nobel Prize García Márquez wrote it down Clandestine in Chile is a true life adventure story and a classic of modern reportage Clandestine in Chile Gabriel García Márquez,1988-11-01 Chronicles the experiences of an exiled Chilean film director who returned to his homeland in disguise in order to make a secret documentary about the military government Clandestine in Chile G.
