Common Secret:

This Common Secret Susan Wicklund, Alan S. Kesselheim, 2007-12-31 A female physician describes her dedication to helping women through the abortion experience the dangers she faced as an abortion provider and her thoughts on the abortion debate

Reservation Politics Raymond I. Orr, 2017-02-03 For Native Americans tribal politics are paramount They determine the standards for tribal enrollment guide negotiations with outside governments and help set collective economic and cultural goals But how asks Raymond I Orr has history shaped the American Indian political experience By exploring how different tribes politics and internal conflicts have evolved over time Reservation Politics offers rare insight into the role of historical experience in the political lives of Native Americans To trace variations in political conflict within tribes today to their different historical experiences Orr conducted an ethnographic analysis of three federally recognized tribes the Isleta Pueblo in New Mexico the Citizen Potawatomi in Oklahoma and the Rosebud Sioux in South Dakota His extensive interviews and research reveal that at the center of tribal politics are intratribal factions with widely different worldviews These factions make conflicting claims about the purpose experience and identity of their tribe Reservation Politics points to two types of historical experience relevant to the construction of tribes political and economic worldviews historical trauma such as ethnic cleansing or geographic removal and the incorporation of Indian communities into the market economy In Orr s case studies differences in experience and interpretation gave rise to complex worldviews that in turn have shaped the beliefs and behavior at play in Native politics By engaging a topic often avoided in political science and American Indian studies Reservation Politics allows us to see complex historical processes at work in contemporary Native American life Orr s findings are essential to understanding why tribal governments make the choices they do
